News for the week of May 14th – May 18th

Hello Parents,

Hello, from fourth grade!

We have a busy week planned. In Bible class this week we will be discussing some of the oppositions that Paul faced on his missionary journeys. We are also continuing to study the verses of Psalm 23.

In science we have been discussing food chains and webs. We are also working hard on our play of Charlotte's Web. The students will be working on memorizing their lines. The play will be put on during the week of the 21st. I will email the exact time of the play for your child's group if you would like to come and see it. The students have made their own backdrop, costumes, and brought in their own props. This is a short play of approximately 10 minutes in length, but the students are very excited to present it. Please come if you are able.

God bless, Mrs. Bergstrand

Bible Verse #34
