## Week 34

Dear Parents~

I want to take a moment and wish all of my 5th grade moms a very Happy Mother's Day! I am so thankful for all that you do not only for your child, but for the source of encouragement you have been within our class this year. May you have an absolutely beautiful day filled with many blessings.

I am very humbled by the godly woman my own mother is and for the relationship that we have cultivated through the years. She has truly become my best friend and I know that she has spent many hours on her knees in prayer. I pray that each of you will have that relationship with your own child as they continue on their path in life. Each of you is a wonderful gift from God!

This week in Bible we are studying the lives of the minor prophets and thus ending our study of the Old Testament. I have truly enjoyed walking through these Biblical times with your child. We are memorizing Deuteronomy 31:6, "Be strong and courageous. Do not be afraid or terrified because of them, for the LORD your God goes with you; he will never leave you nor forsake you." What a great verse to commit to memory! A constant reminder that God is with us always.

We begin division of fractions in math class. I am looking forward to helping the students understand each concept. They have been working so hard at each of these lessons. I appreciate their tenacity.

In Science we are continuing our study of space and completing labs in class.

We are finishing the Civil War Simulation in History. This has been a great hands-on unit and I have enjoyed watching the students interact with each other as they complete each episode.

In Spelling class we are writing words with Latin roots. This week's challenge words are: James (written by James to

encourage and a reminder for our faith to be genuine) and I/II Peter (written by Peter about Christian living and spiritual growth).

Don't forget about the State of the School meeting on Monday evening at 6:30 p.m..

On Thursday at 1:30 p.m., your child will be taking part in the AWARDS Chapel. This is always a highlight for them and I invite each of you to be in attendance that day.

Have a blessed weekend!  
*In the grip of His grace~*
