

Mrs. DePhillips

Computer and Middle School Teacher

My name is Wendy DePhillips and this is my first year teaching at Trinity Christian School. I have an Associate Degree in Science from the College of DuPage and a Bachelor of Liberal Arts and Education Degree from Elmhurst College. I am state certified to teach High School English and Middle School English, Social Sciences, and Science. I have been a stay at home mom for the last 12 years, but have remained involved in the school atmosphere by substituting and teaching summer school. I also homeschooled my daughter for 2 years and taught Literature and History courses for the Learning Vine Co-op – a division of the Christian Home Educators Association (CHEA). I have been volunteering at TCS for the last 4 years and have been assistant Cheerleading coach for the last 2 years.

I am excited to be filling so many positions at TCS this year. I will be teaching Computers for 1st – 8th Grades; 6th grade Social Studies, Study Skills, and Study Hall; 7th and 8th Grade Drama; 1st grade P.E.; 8th Grade Literature; Middle School Enrichment; and assisting with 7th grade Literature. I will have every student from 1st through 8th grade in my class at some point during the year. I hope to unleash in your children a love for learning and a thirst for knowledge by presenting material in an interesting and hands-on approach, when possible. I also hope to reaffirm their love of Christ and apply Biblical principles to all subject areas and behavior expectations.

Please feel free to contact me at anytime with questions or concerns at wdephillips@trinitychristian.info.
