

## **Miss Fry Third Grade Teacher**

My name is Miss Fry and this is my first year at Trinity Christian School. I want to share a few things about myself so you can get to know me a little better. I am a recent graduate from Northern Illinois University. I graduated December 2006 with a Bachelor of Science in Elementary Education. Previous to my time at NIU I attended Joliet Junior College where I obtained my Associate in Arts Degree. Before receiving my teaching position here at TCS, I was a teacher's assistant at River View Elementary School in Plainfield. I worked with Kindergarten and Second grade students. I loved my work but my heart longed for my own classroom. Thankfully God answered my prayers and gave me the role I have today! I am very excited to be a teacher☺

I attend Westbrook Christian Church in Bolingbrook. At Westbrook I teach in the children's department. I am newly engaged and planning a wedding which is a lot more work that I thought it would be. Next April is my wedding and I am super excited about it! I have been with my fiancé Adam for almost three years. I am sure that you will hear about the wedding more and more as time gets closer. I also love reading and hanging out with friends. I like going to movies and going out to eat. I also love spending time with my fiancé and my cat. They are my boys☺

Other things you might want to know about me- I love children. I come from a big family (the oldest of six children.) I also LOVE chocolate and pizza. I love being outside and I love the Summer. Anything else you would ever want to know about me, just ask!

I am looking forward to an awesome school year. God is a great God who loves us and wants only the best for our lives. It is my belief that He will bless each and every day of the upcoming school year. He wants us to grow in Him and love one another. It is my prayer that the light of Christ will shine through all of us here at Trinity. If you ever have any other questions or concerns please do not hesitate to contact me here at school.
