## NEXT WEEK: TEACHER APPRECIATION!

Next week is Teacher Appreciation Week! The whole week, May 2-6, is set aside to bless your child's teachers and let them know you appreciate them.

First, if you are willing to send in special teacher treats during this special week, that would be very helpful. To sign up to bring something in, please schedule the day and item by clicking [here](#).

Throughout the week, we encourage your students to honor their teachers too. Some suggestions might include: a card specially crafted or store bought, mixed bouquet of flowers, school supplies, gift card, a teacher's favorite treat or drink for the day, your family's favorite recipe, or an encouraging note or scripture. Be creative! **And, please be sure to consider something for our specials teachers (music, PE, computers and art) and teacher's aides.**

The celebration concludes, May 6, with a delicious luncheon for the teachers, hosted by the Parent-Teacher Ministry. We are looking forward to blessing our fabulous teachers with love and appreciation.

### WE ARE SEEKING MANY VOLUNTEERS!!!

While the teachers enjoy a delightful luncheon, **we need parent volunteers who are willing to step in to take care of the classroom. One volunteer per class is needed to help with the students.**

There are also opportunities to set up Thursday night, and some to finalize things Friday morning. We also seek volunteers to serve lunch and help with cleanup.

If you are able to help in any way, please contact Mrs. Lisa Kuehn at [miraclebg@comcast.net](mailto:miraclebg@comcast.net). Thank you so much! It is going to be a great week!

## EIGHTH GRADE STUDENTS MEET PEN PALS!

April 21, Trinity's eighth grade students had the opportunity to go to a low-income school in Rock Island, IL to meet their second grade pen-pal buddies. They have been writing to these students all year, and sent them Christmas presents in December, so they were extremely excited to meet in person.

During their time at this school, the eighth grade students got to know their buddies in a variety of ways. They had conversations; worked on a paint project and an affirmation activity together; and had a dance party and an ice-cream party. The

older kids went to lunch and recess with their buddies, and ultimately they got to love on their buddies throughout the day. By the end of the day, there were a lot of hugs, great friendships made, and many tears shed while saying goodbye. It was such a blessing to see the eighth grade students be the hands and feet of Jesus, as they were able to spend time loving on these kids. We are thankful for this great experience and proud of our eighth grade students!
