TCS TEACHERS AND STAFF CPR CERTIFIED

All of Trinity's teachers and many staff are now prepared to recognize and respond in emergencies, as they are CPR certified through the American Heart Association. Teachers and staff members spent time learning about first aid, EpiPens, choking protocols, asthma, AED machines, CPR hands-on training and more! We are excited to have this important training done and intend to continue to have our teachers and staff certified in this area every two years. Thank you to Mrs. Kelly Underwood with Safe Harbor Safety for training us.

KANE COUNTY COUGARS READING PROGRAM

Our school has a great reward opportunity through the Kane County Cougars Reading Club! The goal of this eight-week program is to encourage reading by providing fun incentives. The basics of the program are that students can choose to complete weekly reading goals. Students have to read at least four times a week, for a specific amount of time based on grade level. They keep track of their reading on the provided form, and parents sign off on it. Every two weeks, students need to turn in their slips to their teachers. Upon completion of the program, students who turn in all four check-in slips by the given dates will get a ticket order form. These students will receive a free ticket, along with a free hot dog and soft drink. Additionally, they will be invited to a pre-game parade on the field. Forms went home last week in library and in middle school ELA. We look forward to seeing many TCS students at the ballfield this spring!
