PARENT MEETING HIGHLIGHTS CHILD SAFETY

Trinity Christian School's mandatory Mid-Year Parent Meeting is Feb. 3, 6:30-8 p.m. **You do not want to miss this meeting!** Phones, devices, video games and so much more are impacting our children in ways we could never imagine. It is a very scary world out there that many of us never really consider.

Detective Richard Wistocki is an expert in the area of cyber-crime. He has dedicated his career to helping children by tirelessly pursuing, apprehending and prosecuting child predators. While technology is a great tool, it can also be a great danger to our children if we do not have proper precautions in place. We are now living in a world where a few clicks could impact the rest of their lives! We owe it to our children to support and protect them on important choices. This could be as simple as an iPad to the complexity of smartphones and video gaming.

Detective Wistocki has been to TCS before, and if you have heard him, you know he has a huge impact on our thoughts and how we handle technology with our children. His message and professionalism in this area are worth hearing again and again. He will share things that challenge us and honestly, scare us.

Please make every effort for both mom and dad to come to this event, You won't be disappointed! See the flyer on p. 7 for more information, and a website you can visit to learn more about Detective Wistocki and his mission.

This meeting is for parents only. Please make arrangements for your child to be cared for off site. Thank you.
