## CONGRATULATIONS TCS BOYS' BASKETBALL TEAMS

Trinity's 5/6 and 7/8 boys' basketball teams came away as CHAMPIONS of the Illinois Christian Conference last weekend! Both teams dominated in games all weekend en route to taking home 1st place. The 5/6 boys were led by All-Tournament players Tanner V., Elijah S., and Zach V., while the 7/8 team were led by All-Tournament players Nathan F., Jacob V., and Nathaniel S. Both teams played well together, and everyone contributed to the victories. TCS represented itself very well not only in how they played but by their character and sportsmanship. Well done Eagles! Special shout out to all of our cheerleaders who came to each game, encouraging and cheering on the teams! Go Eagles!

## REENROLLMENT IS NOW OPEN FOR 2025-2026!

We are excited that reenrollment for the 2025-2026 school year is open for all current kindergarten through eighth grade families! Trinity families have the opportunity to enroll a couple of weeks before enrollment is open to the general public, Jan. 27, and thus secure your child's space in class. And of course, the BIG NEWS is that this is the last time you will need to accomplish reenrollment for the duration of your student's time at Trinity. As you saw in the reenrollment letter sent by Mr. V, we have made some changes to our process so that after this reenrollment your student is continuously enrolled through graduation. One year from now, you will receive updated information about tuition and anything else we need you to know for that year.

For this year, as always, it is important to complete your child's reenrollment packet. Just log into your Family Portal in FACTS to get started. Once there, select **Apply/Enroll** from the left side. Then, for current students, select **Enrollment/Reenrollment**. If you are adding a new student, click **Application** for that student. When applying for a new student, be sure to select **Current Family K-8 New Student Application, 2025-2026**.

Use [this link](#) to access your Family Portal. The District Code for our school is **TRINC-IL**.

We are looking forward to a great year together!

## MARK YOUR CALENDARS FOR MANDATORY PARENT MEETING

## CLASS OF 2024 BLESSES TCS WITH BEAUTIFUL GIFT

If you have been in our cafetorium recently, you may have noticed a new, beautiful, seven-foot cross created by the Class of 2024. The Class of 2024 wanted to say thank you for the many great years they had here at TCS. The cross is a terrific addition to our stage and chapel room. It is made of many different wood grains and colors and is a perfect fit. Parents and students of the Class of 2024 are proud to call TCS home and are hoping that a tradition of a class gift can catch on. Thank you, Class of 2024, for your generosity and wonderful idea for a cross to be added in this space.

At Trinity Christian School, volunteers are needed every day! Check out our **EVERYDAY VOLUNTEER NEEDS** below! It is vital that we fill these everyday positions, as soon as possible, to be sure each school morning is off to a warm and friendly start; hot lunches are served efficiently; and to create a relaxing, fun, and safe environment for students and teachers during recess. WE SEEK VOLUNTEERS FOR THE UPCOMING WEEKS: JAN. 27-31 AND FEB. 3-7. PLEASE CHECK YOUR CALANDERS AND RESPOND DIRECTLY TO MRS. ADALYS COLIANNE, TO GET YOUR DATES LOCKED IN!

# Tough World

*Dr. Melissa Crescenzo*

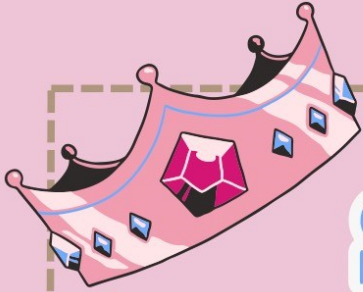

Parenting can be tough for everyone at one point or another in our journey with our children. Culture's relentless focus on "being impressive" places a huge burden on children that can eclipse other aspects of development and leave them anxious, disconnected, irritable, or filled with self doubt. What can be done with our children today to help them develop to their full potential, spiritually, emotionally, academically, and socially?

Be sure to attend this presentation from our very own Dr. Crescenzo as she shares some insights that can encourage you and challenge you as you raise your kids in this tough world.

Dr. Melissa Crescenzo specializes in helping individuals, families, and organizations reach their potential. She is committed to analysis and assessment of issues, understanding your unique circumstances, and collaboratively developing and implementing an intervention plan. She believes that we all have what it takes to accomplish our goals; we just need a little support getting there sometimes.

She received her PhD from Illinois State University and has trained in a wide variety of organizations including hospitals, schools, day treatment centers, community outpatient centers, and in private practice. She is one of the few dually licensed clinical psychologists and licensed school psychologists in the state of Illinois. She specializes in helping families with students who experience struggle in their educational setting. She works with individuals experiencing a vast array of issues: depression and other mood disorders, anxiety, developmental issues, autism, ADHD, impulse control problems, family conflict, sexual identity, and daily stressors.
