The School Board and Administration of Trinity Christian School reserve the right to change any policy herein at any time at the school's sole discretion, should it be determined that such changes are in the best interest of the school. Changes will be communicated to affected groups and individuals.

Trinity Christian School is accredited by the Association of Christian Schools International (ACSI). TCS also adheres to all applicable sections of the IL School Code (105 ILCS5), achieving full recognition status as a nonpublic school with the Illinois State Board of Education (ISBE).

HISTORY OF TRINITY CHRISTIAN SCHOOL

Is there enough local interest to establish a non-denominational Christian school? What would a Christian school's goals be? Why should we send our children to a Christian school?

These were only a few of the questions that drew a small group of people together to begin discussion of establishing a Christian school on the west side of Joliet. Thus, a vision was born, and our founders prayerfully sought God's will in pursuing it. A steering committee was formed and first called to order, May 4, 1992. Much planning and work was done. A school board arose out of a steering committee, and the vision became a reality.

The Shorewood Church of God opened its doors for Joliet Christian School (JCS) to use and the facility was prepared. Pastor Eric Livingston agreed to act as our first Head of School. With much joy and excitement, 57 students from kindergarten through 8th grade were welcomed to JCS, August 23, 1993! In November 1994, Grace Baptist Church completed its educational wing, and we moved there to accommodate the growing student body. After a name change to Trinity Christian School (Trinity), December 27, 2003, we moved to our own facility in Shorewood.

The current Trinity Christian Preschool also opened its doors in August 1994. First meetings took place at Westview Baptist Church in Shorewood and Judson Memorial Baptist Church in Joliet. Currently, the preschool has expanded to over 200 students, with locations in Shorewood and north Plainfield.

A few more years down the road, God called Trinity to once again expand our territory for Him. By the fall of 2010, a new building housing our Middle School and customized rooms for Art, Music and Science for all students, was completed. Long-term plans, under God's guidance, include a high school. We praise God for His faithfulness in establishing Trinity and growing His kingdom here, one student at a time.

MISSION STATEMENT

The goal of Trinity is to provide a personalized, goal-directed approach to education and to equip children with the desire, discipline and skills to pursue excellence in all that they do "heartily as unto the Lord." Statement of Belief

WE BELIEVE in the Scripture of the Old and New Testaments as the only infallible and authoritative Word of God, inerrant in the original writings and that they are of supreme and final authority in faith and practice (II Timothy 3:16, 17).

WE BELIEVE in one God, existing in three persons, co-equal and co-eternal; Father, Son and Holy Spirit (Matthew 3:16, 17 and 28:19, 20).

WE BELIEVE in the deity of our Lord, Jesus Christ, in his virgin birth, in his sinless life, in his miracles, in his substitutionary and atoning death through his shed blood, in his bodily resurrection, in his ascension to the right hand of the Father, and in his personal, visible and imminent return in power and glory (I Corinthians 15:3,4; Acts 1:11; I Peter 2:21-24; John 3:16).

WE BELIEVE that man was created in the image of God, that he sinned and thereby incurred not only physical death but also spiritual death, which is eternal separation from God (Genesis 1:27 and 2:15-17; Romans 5:12 and 6:23).

WE BELIEVE that for the lost and sinful man, regeneration by the Holy Spirit is absolutely essential, that all who receive by faith the Lord Jesus Christ are born again of the Holy Spirit and thereby become the children of God (John 1:12 and 3:1-8; Galatians 4:4-7; Titus 3:4-7).

WE BELIEVE in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life (Galatians 5:22-25; I Corinthians 6:19, 20).

WE BELIEVE in the bodily resurrection of both the just and the unjust, the everlasting blessedness of the saved, and the everlasting punishment of the lost (John 5:24, 28, 29; I Thess. 4:13-18).

WE BELIEVE in the spiritual unity of believers in our Lord Jesus Christ. We believe that this unity and purpose is manifested through the body of Christ, his Church, and that each believer is a member of that body, called to minister as a faithful steward in a manner which brings glory to God (John 17:21-23; I Corinthians 4:1, 2 and 12:12-27; Ephesians 4:4-6).

WE BELIEVE in upholding chastity among the unmarried (I Corinthians 6:18) and the sanctity of marriage between one man and one woman (Hebrews 13:4).

Statement of Belief on Marriage, Gender, and Sexuality

Trinity believes that the term marriage refers to the uniting of one man and one woman in a single, exclusive, lifelong union, as delineated in Scripture (Genesis 2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Corinthians 6:18, 7:2-5; Hebrews 13:4).

Trinity believes that God wonderfully and immutably creates each person as male or female. These two complementary genders reflect the image and nature of God (Genesis 1:26-27). We acknowledge the reality that sin has distorted the image of God in men and women, and mourn anyone's willful rejection of God's image in them.

Trinity believes that moral misconduct includes, but is not limited to, co-habitation, promiscuity, adultery, fornication, homosexual behavior, bisexuality, polygamy, bestiality, incest, transgender identity, gender non-conformity, non-binary gender conformity, use of pornography, or any other violation of the unique, distinct roles of male and female (Exodus 20:14; Leviticus 18:7-23, 20:10-21; Deuteronomy 5:18; Matthew 5:27-28, 15:18-20; Romans 1:21-27; 1 Corinthians 6:9-20; Colossians 3:5). Trinity believes that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). Harassing and hateful behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the beliefs of Trinity. We believe that God offers redemption and restoration to all who confess and repent of their sin, seeking his mercy and forgiveness through Jesus Christ (Acts 3:19-21; Romans 10:9-10; 1 Corinthians 6:9-11).

These statements do not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Trinity's faith, doctrine, practice, policy, and discipline, the School Board or its designee is the final interpretive authority on the Bible's meaning and application.

ATTENDANCE POLICY

School Hours

Trinity's hours are 8:30 a.m. to 3:10 p.m.

Attendance Requirements

Trinity has a responsibility to require the faithful daily attendance of its enrolled students. Academic problems occur when students continually miss school. It is important that a student be at school every day; however, circumstances occasionally prevent this, and students do miss school from time to time. If the child is going to be absent, please notify the school office via phone, fax, or e-mail attendance@trinitychristian.info by 9 a.m. on the day of the absence (unless absence was previously arranged). Please state the child's name, classroom teacher and reason for the absence. Excused absences are: illness, bereavement, dental, medical, or optometrist appointments. Absences from school for reasons other than those listed may be considered unexcused unless approved by the Head of School.

- If a student is absent for an extended period due to illness, the school needs a written excuse from a doctor. If a student does not arrive at school before 10:30 a.m. or leaves school before 1:30 p.m., they will be marked one half day absent. Half-day Kindergarten students who do not arrive before 9:15 a.m. and/or leave before 10:45 a.m. will be counted absent.
- This note will be used to determine whether the student receives an excused or an unexcused absence. Failure to present this note promptly upon return to school may result in an unexcused absence.
- If your child is absent and you would like their work for the day, PLEASE EMAIL the homeroom teacher by 9 a.m. Work may be picked up in the school office between 3:30 and 4 p.m. When a **middle school** student is absent, teachers will place required work on Microsoft Teams for the student to access, and bring books to the front office if needed. Students who are absent will receive two days for each one day absent to complete missing assignments.

- Students **MUST** be fever-free, without the aid of medication, for 24 hours before returning to school. Similarly, students who have vomited or had diarrhea **MUST** be symptom-free for 24 hours, without the aid of medication, before returning to school.

For the protection of students, Trinity policy is to release students only to their parents, guardians, or previously designated individuals. Any deviation from this policy will be made only by written notification or phone call to the front office by the student's parent or guardian.

Attendance Requirements for Students in Extracurricular Activities

Students must be in attendance at school for at least half the day (arrive before 11:30 a.m. or remain at school until 11:30 a.m.) in order to participate in any extracurricular competitions and performances scheduled for that day. Students must be in school for at least half the day on Friday to participate in any extracurricular competitions and performances over the weekend. Students dismissed from school during the day for an illness may not return for an after-school activity without proper consent by Administration. Any exception to these rules must be approved by the Athletic Director or Head of School.

Absences

Trinity Christian School is committed to the philosophy that in order for quality education to occur, regular student attendance is necessary and required. Absence from school is always detrimental to the academic progress of the student. Class discussions and lectures cannot be repeated and make-up tests are difficult to schedule. In accordance with our philosophy, the administration has determined that absences in excess of eight (8) days per semester and 16 days per year will be considered excessive. All absences, including illness and family vacations, apply toward the 16-day attendance policy. A student may not make up any work for excessive absences. Any work missed or due on the day of such absences, including quizzes or tests, will result in a zero. In cases of extended illness, parents are asked to contact the office to discuss the matter.

Prearranged Absences

Parents are discouraged from taking students out of school for vacation or for non-school sponsored events. EVERY EFFORT SHOULD BE MADE TO SCHEDULE VACATIONS TO COINCIDE WITH SCHOOL VACATIONS. However, if the absence is unavoidable, the following details apply:

- Days missed will be recorded as absences counting toward the 8-day attendance policy.
- A parent must email the Head of School, front office, and teacher(s) at least one week in advance to request a pre-arranged absence. Within 72 hours of the request, notification will be made regarding the status of request and further instructions.
- Students assume full responsibility for all missed classes and assignments. Middle school students must meet with each teacher prior to leaving to arrange appropriate timelines for make-up work. Additional work assigned during the absence must be made up within the same number of days as the absence. Assignments not completed on time will not be awarded credit. The time and place of any make-up sessions shall be established at the initiative of the student and at the convenience of the teacher.
- Shadow days for high school are limited to two days a year. Anything beyond that will be considered unexcused, without administration approval.

Prearranged Early Dismissals

The school does not encourage absences for medical and dental appointments, etc. during the school day and prefers parents/guardians to make such appointments after school and/or on weekends. A request for early dismissal must be accompanied by a note or email from a parent/guardian with the student's name, the date, and reason for dismissal. All students leaving school must check-out through the main office and check-in when returning. All absences apply toward the 8-day attendance policy.

Excessive Absences

Prearranged and any other excused absences count toward a maximum allowable absences of 16 days (excused or unexcused) per school calendar year. Students who exceed this number are considered eligible for retention in their current grade based on a review by administration. Parents will be notified in writing when absences total 10 days. Special consideration may be given in exceptional cases, such as

prolonged illness or death of an immediate family member; however, doctors' notes or other supporting documentation must be submitted.

Tardy Policy

Any student not in their classroom by 8:30 a.m. is considered tardy. Students unable to arrive to class by 8:30 a.m. must report to the office to receive a tardy slip. They will not be admitted to class without one. Parents must walk in students arriving at school after 8:30 a.m. Students are expected to be in their classrooms, ready to work, when the bell rings at 8:30 a.m. Being late is a disruption to everyone. Five tardies per quarter will be considered excessive.

Excused Tardies may include the following:

- Illness or injury
- Death in family
- Medical or dental appointments
- Unexpected or beyond control traffic situations
- Inclement weather
- Special situations approved by administration

Parents should submit documentation of tardies resulting from appointments or illness to the front office.

Unexcused and Excessive Tardies

Unexcused tardies include running late, typical traffic, etc. The following consequences are in place for unexcused tardies:

- When three unexcused tardies are received in a single quarter, a letter is emailed home from the office notifying parents/guardians of the tardies. If two additional unexcused tardies are received in the quarter a lunch detention is issued by the office. Each additional unexcused tardy results in another lunch detention. Tardies clear at the beginning of each new academic quarter.
- Unexcused tardies exceeding 10 in a quarter will result in a student serving an in-school suspension.
- An accumulation of 10 or more unexcused tardies during the school year will prevent a student from receiving perfect attendance recognition.

Middle School Tardiness

Middle school students are counted tardy in each class for which they do not arrive on time. Student tardies are tracked in middle school via each student's Eagle Zone card.

EARLY STUDENT DISMISSAL

A student may not leave the school grounds without being escorted by a parent, guardian or another adult designated by the parent/guardian. The parent/guardian should notify the school in writing whenever possible. If a student is to leave the school during school hours, the parent/guardian must pick up the student at the school office and sign him/her out. If returning the same day, the parent must sign in at the school office. **Parents should not go to the classroom. Carpool students aren't allowed to leave early without their parent's permission.** Please note that students should not be picked up early just to avoid the dismissal line.

Sign-In/Sign-Out Procedures

Before leaving school during the school day, a student's parent must sign the student out at the office. Upon returning to school during the school day, the parent must also sign the student in at the school main office.

Administration has the authority to make exceptions to the attendance policy based on individual circumstances.

ADMISSIONS

Admissions Process

Admission to Trinity is not automatic. Certain requirements have been established based on our founding principles to protect the investment made by our parents/guardians in a Trinity education.

Step 1 – Apply. To begin the Admissions process at Trinity, create an [online](#) account. Then complete and submit all of the required information and documents, and pay the non-refundable registration fee. Please note that your child's official birth certificate must be submitted to the front office. Your file will advance to the next step once this step is fully completed.

Step 2 – Academic Evaluation. Once all of the documents in Step 1 are fully completed and returned to Trinity, an Academic Evaluation is scheduled for the incoming student. During the Academic Evaluation, a teacher may inquire as to a student's spiritual and social maturity, as well as administer academic testing. The purpose of the Academic Evaluation is for placement purposes as well as to identify any grade level differentiations with the current Trinity standards of excellence.

Step 3 – Family Interview. Upon completion of the Academic Evaluation, a Family Interview is scheduled. The purpose of the Family Interview is to determine if the student and parents meet Trinity Admissions Requirements. It is best if both parents/guardians are able to attend the Family Interview with the Admissions and another staff member. Applicants and younger siblings are welcome to attend, though not required.

Step 4 – Submission for Decision. Upon completion of the Academic Evaluation and Family Interview, the entire Admissions package for the incoming student is reviewed by Administration for a determination regarding admission. When a decision has been reached, the Director of Admissions will notify the family.

Step 5 – Continuous Enrollment and Payment Plan. There is a final enrollment packet online that needs to be completed. This enrollment packet is for the student's continuous enrollment, meaning that the student will continue to be enrolled through eighth grade graduation or a parent's decision to withdraw the student from Trinity. At the end of that packet, every family must select their preferred payment plan for the year to conclude the admissions and enrollment process.

Late Admissions

No admissions for the current school year are made once the 4th quarter of that school year has begun. Special circumstances may be considered with administration approval. No 8th grade admission once 3rd quarter has begun.

Admissions Requirements for Students

1. Students entering kindergarten must be five (5) years old by September 1 of the school year for which they are seeking admission and be developmentally ready for the program offered. An academic evaluation is required.
2. A child entering first grade must have reached the age of six (6) years by September 1 of the school year for which they are seeking admission and be developmentally ready for the program offered. An academic evaluation is required.
3. If a child has successfully completed the previous year, the student will proceed to the next grade level. New students will be assessed individually so they can be challenged with curriculum appropriate to their needs and abilities.
4. The child must understand that his parents/guardians have delegated their authority to Trinity while the child is in school. He is therefore subject to the instruction and discipline of the teachers and staff while at school.
5. Students must demonstrate a grade-level capability of academic subjects at Trinity as indicated by school records, standardized tests and academic evaluation administered by Trinity Christian School.
6. Student's family must regularly attend a local Bible-believing church.

7. Students must give evidence of a desire for a Christian education and be willing to submit to the standards and regulations of the school.
8. Students must be in good standing with their previous school in conduct and academics.
9. Medical requirements for students must be met according to the standards set forth by the State of Illinois, including all immunizations and TB tests.

Admissions Requirements for Parents/Guardians

1. Parents/guardians must sign and thereby agree to abide by the Parent Agreement.
2. Parents/guardians must sign and thereby commit to living out the Statement of Purpose and Belief, and understand that it constitutes the doctrinal beliefs of the school and that its truths will be purposefully and clearly taught to their children who are enrolled at Trinity.
3. During the Family Interview (Step 3 of the Admissions Process), at least one parent/guardian must clearly articulate a personal and saving relationship with Jesus Christ. Both parents/guardians should have a clear understanding of the biblical philosophy and functioning of Trinity. These matters will be reviewed in the Family Interview.
4. Parents/guardians must be willing to cooperate with the policies of the Trinity Christian School Board. This is most important in the areas of discipline, spiritual maturity and academics. Parental non-compliance or interference with school policy is grounds for student expulsion.

Trinity reserves the right to refuse admission to any student whose educational needs cannot be met by Trinity. We reserve the right to deny admission to any individual/family who we feel will not benefit from our educational program based on past academic achievement, who does not support the Statement of Purpose and Belief or whose lifestyle is not in harmony with the stated Christian philosophy and purpose of Trinity.

New Student Contingency Plan

It is Trinity's policy that all new students are admitted to Trinity, contingent upon maintaining behavioral and academic standards through the first quarter. Administration and the appropriate teachers will determine if a student has met this requirement and whether any further action is required.

ARRIVAL PROCEDURES

Students arriving at school must be dropped off at the front (south) entrance from 8:10 to 8:25 a.m. Please understand that there is no "express" lane. Please stay in line with the other parents/guardians. If you arrive after 8:30 a.m., in order to avoid confusion with the preschool line, please park your car and escort the student to the office for a late pass and to sign him or her in. Please do not let students walk from the parking lot unattended or drop them off at the door.

ASSOCIATION OF CHRISTIAN SCHOOLS INTERNATIONAL

Trinity is accredited by the Association of Christian Schools International (ACSI). ACSI is the largest, most influential Christian school association in the world. They offer Christian schools valuable assistance and accreditation.

ATHLETICS

Athletic Standards. Participation in athletics is an earned privilege, not a right. In addition to meeting a certain level of skill achievement and team play, student athletes must meet and maintain the following levels of character and academic achievement.

- All students at Trinity are classified as either eligible or ineligible for athletics and activities each quarter. To be eligible, a student must maintain a 74% or a 2.0 G.P.A. and maintain a “C” in Bible on his/her report card.
- In addition to grades, character marks are used in determining eligibility status. Any student who is on Character Probation is ineligible for athletics until such time as they are taken off of Character Probation. If an athlete gets placed on Character Probation while playing a sport, they immediately lose their eligibility status. Please refer to the Character Probation section under Discipline in this handbook.
- All students must have a physical examination by his/her personal physician, at his/her expense, before participation in any practice session sponsored by the school. Trinity often offers such an exam for free in the fall. Sports physicals will be kept on file with the Athletic Director.
- If a student is classified as eligible, he/she is allowed to try out, practice and participate during the entire week. Any student who fails to maintain grade eligibility for any weekly grading period is placed on probation for a period of one week.
- All athletes are responsible to communicate with their teachers for class work missed during a game or ride to a game. Missing class because the team is leaving early for a game is not considered an absence or an excuse to not do the required work. Athletes must remember that they take on a difficult academic challenge simply because of the many hours involved with the team. They must plan accordingly, take initiative and be personally responsible. The Athletic Director checks eligibility every week. Students who have academic or disciplinary obligations must fulfill them before attending practices. Detentions or suspensions conflicting with games/practices take precedence over athletic/extracurricular events. A discipline report may result in ineligibility for the week.
- Generally, a student who does not attend school the day of the extracurricular activity will not participate in the activity that day.
- **Should a student not meet the above Standards, he/she is classified as ineligible. Ineligible students may participate in workouts, if approved by the Athletic Director, but are ineligible to participate in games. A student must wait a one-week grading period to return to eligibility** (see standard above).

Athletics Offered. Trinity offers the following athletics for students in 5th through 8th grades:

GIRLS

Volleyball
Basketball
Soccer (Coed)
Cheerleading

BOYS

Volleyball
Basketball
Soccer (Coed)

Event Supervision and Sportsmanship. Home volleyball and basketball games are held in the Trinity Sharp Gymnasium, on campus. Home soccer games are held at the Trinity soccer field.

Parents/guardians, or a consenting adult, must supervise K-5 children attending games. Students must stay in the gymnasium area except to use restrooms/water fountain. For the safety of the students in lower grades, if they leave the gymnasium or soccer field area, they should be supervised by an adult. Courteous, respectful behavior is expected of all Trinity students, and the discipline policy is still in effect during school-sponsored events. Trinity reserves the right to ask those who do not comply with these guidelines to leave the premises.

Insurance. It is mandatory for all students who participate in a conference sport (basketball, soccer, volleyball and cheerleading) to provide proof of health insurance coverage. A copy of current health insurance coverage is to be kept on file with the Athletic Director.

Coaching Staff. For the safety and welfare of our students, it is mandatory that any and all coaches at Trinity undergo a background check, interview, agree to comply with our Statement of Purpose and Belief, and take concussion protocol training.

BEFORE AND AFTER SCHOOL KIDS (B.A.S.K.)

B.A.S.K. is childcare offered only to Trinity families and their enrolled students. In order to have a successful B.A.S.K. program, we have certain minimal behavior requirements that need to be met. We ask that parents/guardians be cooperative with staff and Administration in this regard.

We have a “three strikes you’re out” policy in B.A.S.K. Specific incidents constituting a strike are determined by the B.A.S.K. Coordinator, B.A.S.K. Supervisor and/or Trinity Administration. When a student receives a third strike they are expelled from the B.A.S.K. program.

All grades are eligible; however, half-day kindergarten may attend before school care only. B.A.S.K. hours are 6:30-8:15 a.m. and 3:30-6 p.m. B.A.S.K. follows the current school calendar. For early dismissal days, B.A.S.K. is only available in the morning. The following are the current rates for B.A.S.K.:

	Defined	First Child	Per Child, after First
Full-Time	Both a.m. and p.m. care provided more than 3 days a week.	\$105.00 per week	\$52.50 per week, per child
Part-Time	Only a.m. care provided more than 3 days a week.	\$46.00 per week	\$23.00 per week, per child
	Only p.m. care provided more than 3 days a week.	\$62.00 per week	\$31.00 per week, per child
Daily Cost	Both a.m. and p.m.	\$35.00 per day	\$17.50 per child, per day
	Only a.m.	\$15.00 per a.m.	\$7.50 per child, per a.m.

Note: If a student who is in after school care has a cell phone in order to “touch base” with his or her parent/guardian, please do not contact the child before 4 p.m. Students must have permission from a staff member before turning on their cell phone to receive such a call, per the cell phone policy, p. 10.

B.A.S.K. Payments are due on the 20th of the following month. If payment is not received, the student will not be allowed into B.A.S.K. until payment is made and it will be considered an unsettled indebtedness as defined herein, subject to a \$25.00 late fee. There is also a \$15.00 late fee, starting at 6:01 p.m. and for every 15 minutes thereafter until the child is picked up. There is a grace period from 3:31-3:45 p.m. for families who may be running late. A \$5 fee will be charged through FACTS in these instances.

BOARD OF DIRECTORS

Governance. Pursuant to the Trinity governing By-Laws and Constitution, the governing body of Trinity is the Trinity Christian School Board (Board). The Board is autonomous and self-perpetuating. Board member qualifications include spiritual qualities set forth in I Timothy 3. The Head of School falls under Board authority as do all staff and volunteers. The Board welcomes communication from parents. Board members may be contacted via email, available on the school website.

CELL-PHONE POLICY

The administration at TCS understands the importance of being able to communicate with your children when they are at school; however, it is important to maintain the instructional environment of the classroom. Research has shown that cell phone use for adolescents is on the rise and contributes to negative consequences in a student's academic and social-emotional growth. To mitigate the challenges posed by this technology, we have instituted a no-cell-phone policy.

An electronic communication device creates disruption to the academic day. It is the desire of the faculty and staff to provide a learning environment conducive to students doing their very best. Cell phones, smart watches and other communication devices that make use of the internet, texting and/or social media, may not be used while students are at school.

If parents feel that their child must have some form of communication device, it must remain in the child's locker or backpack, TURNED OFF during school hours.

Please note that placing a cell phone into silent/vibrate or text messaging modes is not considered "turned off" and is prohibited. This includes but is not limited to, B.A.S.K., field trips and athletic events. Parents are strongly encouraged not to call their child or text them throughout the school day. All social engagements and after school arrangements should be done before students arrive to school for the day. Students are encouraged to call home through the office for emergency reasons while at school.

Cell phones may only be used for emergency purposes when involved in an after-school activity. Permission to use a cell phone must be granted by a teacher/coach/parent in authority. Cell phones must not be visible and must remain turned off. Communications to and from parents during the school day must occur through the front office.

If a student violates this policy:

1st offense: device is confiscated by the teacher for the day and parents notified

2nd offense: device is confiscated and given to administration. Parents/guardians may retrieve the phone at the end of the school day by paying a \$10 fee.

Subsequent violations: The \$10 fee continues to increase by an additional \$10 for each subsequent violation of the policy throughout the school year.

Further discipline may be discussed and implemented. Additionally, violation of this policy during any student assessment (quiz, test, exam, etc.) is considered cheating and requires appropriate disciplinary action. The Head of School also reserves the right to examine the cell phone, including phone numbers, texts and pictures that are stored, if confiscated. The finding of inappropriate materials may result in disciplinary action. At a minimum, a disciplinary action form is placed in the student's file.

Trinity Christian School is not responsible for lost, stolen, or broken communication devices.

CHAPEL

Chapel services are Wednesdays, 8:40-9:20 a.m., each week for all students. Parents/guardians and families are welcome and encouraged to attend.

CHILD ABUSE POLICY

The State of Illinois requires Trinity to report allegations of suspected child abuse to the proper governmental authority when there is reasonable suspicion or reasonable basis for believing that physical or emotional abuse, sexual abuse and exploitation, inadequate supervision, or other forms of abuse have

occurred. While the school is expected to communicate with parents/guardians regarding the wellbeing of their children, the school administration is placed between the parent/guardian and the state, acting on behalf of the child and in accordance with state law. It is the school's policy not to contact parents/guardians in advance of making a report to legal authorities. Appropriate school staff will make such reports in the best interests of the affected child and do not, once reasonable suspicion is established, have any legal alternative except to make the report to the proper authorities for their investigation and review. The school may also undertake an inquiry prior to making a report to determine whether or not there are sufficient grounds to require reporting.

Pursuant to Illinois's Faith's Law requirements, Trinity Christian School adopts a Code of Professional Conduct for School Employees. Each school is required, pursuant to Faith's Law, to post this Code of Professional Conduct for School Employees on the school's [website](#) and to publish the [resource guide](#) in the school's parent/family/student handbook. These are available via the hyperlinks in this paragraph.

COMMUNICATION

Trinity believes that the Bible teaches that parents/guardians have the ultimate responsibility of educating their children. Parents/guardians are requested to address concerns by **written communication, including email, to the teacher or scheduled teacher's appointments**. Prearranged parental visits are encouraged and should be arranged through the school office. Trinity seeks to keep parents/guardians informed through: Parent-Teacher Ministry (PTM), regular teacher newsletters (K-5), weekly school newsletters, parent-teacher conferences, correspondence, mid-term reports, quarterly report cards and parental contacts by teachers if problems need to be addressed.

COMPUTER, TECHNOLOGY AND INTERNET ACCEPTABLE USE GUIDELINES

The availability of computers and the internet at Trinity offers our students a wealth of educational opportunities. While we realize that computer technology and the internet play important roles as tools in teaching our curriculum, we also are aware that access to the internet raises issues of safety and appropriate use. It is important that students know of the internet's capabilities, as well as how to use it as responsible Christians. Using technology at Trinity, including the internet, is a privilege, not a right and inappropriate use will result in cancelation of those privileges. The guidelines below recognize the need to safeguard our students and school while enriching our curriculum and protecting our equipment. All rules are applicable to all uses of computers and related technologies. With this in mind, all students of Trinity must abide by and act responsibly concerning the following computer technology/internet issues:

1. The internet may be used for educational purposes only.
2. Students may not use email, instant messaging, blogs or other social networking applications at school unless specifically approved by a teacher.
3. Students may not give out any personal information while operating technology including: name, home address, phone number, age, race, family income, school name/location, friends' names or credit card information.
4. Students may not share passwords with anyone except a parent/guardian/teacher.
5. Students may not use the school's computer system to engage in any illegal act.
6. Students may not access inappropriate material on the internet. If any such sites are accessed, they are to immediately use the "back button" to escape the site or turn off the monitor. Students should then inform their teacher so the teacher can handle the situation appropriately.
7. Students may not access or tamper with other people's computer work or present themselves as someone other than their own selves.
8. Students must obey copyright laws and not download or plagiarize information found on the Internet.
9. Students may not engage the chat function with other students, unless an instructor is included in the chat.
10. Students may not use any school computer to create an electronic copy other than for educational purposes, and not without permission by a teacher or staff member.
11. When using school computers, students may not modify components, attempt to bypass security, change settings, install or download programs, software or files, or attempt to impair it in any way.
12. Students may not print personal documents at school without the prior consent of the teacher. "Personal documents" do include documents created for school purposes other than those created in a computer class as part of an assignment for that class.
13. Students are to act as responsible, considerate, respectable citizens and Christians when online, and adhere to the same Christian ethics that govern all other aspects of life at Trinity when facing issues not specifically addressed above. In addition, students must treat the equipment with the utmost care and respect. Should a student be deemed to have caused damage to school equipment, they may be required to pay for the replacement of that equipment.

CURRICULUM

Our curriculum was specifically developed to integrate biblical principles into a challenging, high-quality academic program. All basics and fundamentals in academics in each grade level are taught from a biblical perspective, as teachers strive to integrate scriptural principles into every discipline. To ensure core academic standards are vertically aligned and meet or exceed national standards, our curriculum guides include the scope and sequence, adopted textbooks, and objectives for each subject by grade level.

Trinity Christian School's Educational Curriculum includes the following core subjects:

- Bible
- Reading
- Spelling
- English
- Mathematics
- Social Studies
- Science

We use materials from several Christian publishing companies (ABeka, ACSI, CSI, Bob Jones and Positive Action for Christ) as well as leading secular companies such as Pearson, Holt and Harcourt Brace. We desire to select the best, research-based instructional materials available from Christian and secular publishers in order to achieve our overall goal to honor God as we develop and equip servant-leaders for God's glory.

DISCIPLINE POLICY

Purpose. One of the most important lessons a Christian can learn is self-discipline. While it does not appear as a subject, it is the foundation of our whole educational structure. It is the key to good conduct and proper consideration for other people. The training develops self-control, character, orderliness and efficiency. Perhaps the most important aspect to our discipline system is the partnership between home and school. Mutual support is crucial. Therefore, the Trinity Christian School Board and Administration stand ready to assist in the achievement of these goals establishing a variety of rules, procedures and expectations.

Goals. Goals of the Trinity Discipline Policy include the five R's:

Respect for God and His Word: Students are expected to follow the modeling of Christ.

Respect for Authority: Students are expected to communicate and respond with courtesy to teachers, other staff, volunteers, guests and adults in word, deed and gesture. Students are expected to obey teachers and staff.

Respect for Others: Students are expected to communicate and respond with courtesy in both word and actions to each other. They are expected to respect the learning environment of others.

Respect for Property: Students are expected to properly use and care for the property of Trinity, all school facilities, other classmates and their own property.

Respect for Learning: Students are expected to follow the school-wide/classroom rules as designated by the classroom teacher.

Classroom Discipline and Management of Students. The primary responsibility of every teacher is to develop an atmosphere conducive to good behavior. Discipline that is both fair and firm is a reasonable expectation of both students and parents/guardians. In dealing with the conduct of the students, the teacher will:

- Establish classroom rules by which the students will abide
- Be consistent in enforcing the rules daily
- Expect the same adherence to the rules by all students, showing no favoritism
- Establish consequences for students who break the rules

- Establish that every student is responsible to the class for his/her behavior
- Promote entering and leaving the school building in a quiet, orderly fashion at all times
- Require submission to authority and fostering the understanding in each student that any adult in charge has the responsibility to correct them

ANTI-BULLYING POLICY

Trinity Christian School's desired standard of behavior is no bullying in the school. Teachers will actively and consistently teach positive behavior and anti-bullying messages, dissuading aggressive, harassing, or any type of bullying behavior, using Jesus as the model of behavior. John 15:12-“My command *is this*: Love each other as I have loved you.”

Definition: Bullying is the repeated intimidation of others by the real or threatened infliction of physical, verbal, written, electronically transmitted, or emotional abuse, or through attacks on the property of another. It may include, but not be limited to, actions such as verbal taunts, name-calling and put-downs, including ethnically-based or gender-based verbal putdowns, extortion of money or possessions, retaliation, stalking, public humiliation, and exclusion from peer groups within school.

A second, more concise, definition: Bullying happens when a person is exposed repeatedly and over time to negative action on the part of one or more persons.

Such conduct is contrary to the behavior, values, and principles taught by our Savior, and are disruptive of the educational process. Therefore, bullying is not acceptable behavior in Trinity Christian School.

If it is determined that a student is engaged in bullying behavior, the classroom and/or school discipline plan will be followed. If the behavior is extreme, the student may be removed from class or suspended from school for a given amount of time without following the normal steps in the discipline plan.

Please note: Sometimes students, especially when they are very young, have not developed the interpersonal skills necessary to express their needs and feelings. Therefore, sometimes students will be mean to each other or physically hurt each other occasionally. We do not consider this occasional misbehavior bullying. In these instances, the teachers and staff will attempt to work with these students to help them express themselves with words and good choices when faced with an undesirable situation.

K-8th GRADE DISCIPLINE POLICY

Each teacher will establish their classroom discipline policy at the beginning of the school year. Discipline policy should be clearly communicated to students and parents for transparency and awareness of standards set forth in the classroom. Depending on the infraction, the 5th grade teachers have the authorization to implement middle school discipline policy, when appropriate. Severe discipline infractions in all grades will be brought before the Director of Education or Head of School, who will work alongside the teachers to enforce proper consequences and in many cases will issue a DISCIPLINE REFERRAL with the proper punishment established. Trinity Christian School does not permit corporal punishment.

MIDDLE SCHOOL DISCIPLINE POLICY

Demerits. Middle school students who break the general school rules or ignore classroom expectations, at school or a school-sponsored activity or event, may receive a demerit. Students exhibiting inappropriate behavior or attitudes may receive a demerit from **ANY** employee of Trinity. Demerits must be signed by the parents/guardians and returned the next day. Any unsigned or unreturned slip will result in an additional demerit given. Students receiving three (3) demerits, in a seven-day period, receive a detention. Each subsequent demerit in the same seven-day period results in an additional detention. Parents/guardians please encourage your child to make it right after you sign the demerit (i.e. apology, etc).

ADMINISTRATIVE DISCIPLINARY ACTION

Students may receive a **discipline referral** at a school or school-sponsored activity or event from any employee of Trinity directly involved with the attitude or behavior. **Discipline referrals** are submitted to administration for review and approval. Specific discipline is enforced through these referrals. The following details can be a part of referrals but are not limited to these items:

Detentions. Form of discipline that results from escalated misbehaviors or a major incident or occurrence. Detention dates are determined by the teachers/administration.

- K-5th grade detentions can be in the form of Recess or Lunch Detentions but can also be assigned before or after school for a 45-minute period.
- 6th-8th grade detentions are held before school from 7:30-8:15am
- Upon receiving a detention, the student is given a Discipline Action Form to take home and have his/her parent/guardian sign. The student then returns the signed form to the teacher the following day.

Compiled detentions throughout the school year result in the following consequences:

- Three detentions: staff meeting with the student's parents/guardians, teachers and Head of School
- Fourth detention: 1-2 day In-School Suspension
- Fifth detention: 1-3 day In-School Suspension and Character Probation
- Sixth detention: 1-3 day Out-of-School Suspension, Character Probation, and the student is referred to the Trinity Christian School Board
- Seventh detention: 3-5 day Out-of-School Suspension and the student is referred to Trinity Board for possible expulsion

Tardiness or not reporting for detention results in an additional detention. Refusal to serve a detention will result in immediate suspension from all school activities and classes, being marked as unexcused absences. To have a detention postponed without penalty, the parent/guardian must send a written note or email asking that the detention be postponed. This written note must state the reason for needing the detention postponed. Only **one** detention can be postponed during a semester period. The Head of School is the final authority in granting the request. Siblings of detention students may not be dropped off and left unsupervised during the detention.

In-School Suspension (ISS). During an ISS, the student is isolated from the student body for the assigned number of school days. The student does the required assignments and receives full credit. The student may not represent Trinity in any extracurricular activity/athletics during the week-long period in which he/she is serving an ISS, and must be released by Administration before returning to the activity.

Out-of-School Suspension (OSS). During an OSS, the student is not allowed to attend school or any after-school activities. The student may not represent Trinity in any extracurricular activity/athletics until cleared and approved by the Head of School. A student may obtain assignments and other work missed during this period, however, credit is not given for any work assigned during this period. When a student receives an OSS, a Behavioral Contract is drawn up. The student's parents/guardians, teachers and Head of School must agree upon this contract before the student is able to return to class. Students who are suspended out of school are not eligible for the honor roll during the nine-week period in which this occurred.

Expulsion. Expulsion is defined as denying a student attendance at school, access to school property and attendance at any school functions for the remainder of the school year. Expulsion may occur as a result of a serious infraction, possession/use of drugs, alcohol, and gang-related activity, or it may be necessary if a behavior, which caused a suspension, persists after the suspension period is over. The following procedures are followed if a student faces possible expulsion:

1. In the case of such an offense, the matter is referred by the Head of School to the Board, concerning expulsion.
2. The Board has the authority to dismiss any student for non-compliance with the rules and regulations of the school.
3. If a student is expelled from Trinity, the parents/guardians forfeit their full year's tuition.

Character Probation. There are times in which verbal reminders and initial consequences do not significantly change a student's behavior and/or attitude. Persistent negative or disruptive attitudes are usually evidence of a lack of character development in a given area, and a student may be placed on character probation as a result. The probationary period depends upon the circumstances. During that time a student must demonstrate significant improvement in the character qualities in question in order to continue as a student at Trinity.

A written contract is drawn up detailing the expectations of the probation. If a student receives an OSS for major disciplinary infractions, it results in character probation. The student may be ineligible for extracurricular activities as determined by the Head of School. If the student fails to demonstrate satisfactory improvements, the Head of School may recommend to the Board that the student be asked to withdraw from the school.

Academic Probation. Should a student be placed on Academic Probation, the terms of that probation are determined and written by the Administration and appropriate instructional staff. Times when a student may be placed on Academic Probation include but are not limited to:

- Any student who does not receive an overall grade average of a 70% on their report card
- Any student who consistently shows no effort to accomplish school work
- Any student consistently failing one or more subject areas

Usually Academic Probation remains in effect for at least one quarter. If a student fails to meet the terms of their Academic Probation, it may result in mandatory tutoring, class schedule changes or retention.

All new students entering grades 5-8 are automatically placed on ACADEMIC and CHARACTER PROBATION for the first quarter. No formal contract is drawn up. Students must do their best to model proper student behavior and effort during this time.

DISCIPLINE PROCEDURES

Purpose. All sin seriously affects one's spiritual relationship to God as well as relationships with other people and institutions. Different offenses therefore, carry different penalties with an emphasis on justice. In assigning consequences, we will be as wise as possible in differentiating between childish irresponsibility and direct disobedience and/or defiance. The following levels of disciplinary action have been established by the Administration and the Board:

Level One. The Trinity employee directly involved with the attitude or behavior is responsible for handling the discipline. Possible disciplinary consequences include, but are not limited to:

- Verbal reprimand or warning
- Demerits
- Loss of privilege
- Writing assignments
- After school/before school detention
- Parents/guardians contacted

Level Two. This offense in and of itself may be considered major or may involve a rather minor issue which has become a major one due to its expanding repeated occurrence, thus giving evidence of defiance or unmanageable behavior. This offense is referred to the Head of School. Possible disciplinary consequences include, but are not limited to:

- After school/before school detention
- Parent/guardian conference
- Work detail at school
- In-School Suspension
- Out-of-School Suspension
- Character Probation

Level Three. Repeat offenses are referred to the Board. Possible disciplinary consequences include, but are not limited to the following:

- Suspension from extracurricular activities
- Character Probation
- In-School/Out-of-School Suspension
- Recommendation for expulsion from school

Level Four. A major offense as determined by the Head of School may result in expulsion.

- Defiance or unmanageable behavior
- Stealing/destruction of property
- Physical or verbal assault

Each of the above are dealt with strongly and may result in expulsion. Some offenses, due to their tremendous destructiveness, must be handled with extreme measures. Therefore, the following shall result in automatic and immediate suspension by the Head of School, with immediate recommendation to the Board for expulsion, as well as notification to local law enforcement.

- Gang involvement, possession of any firearms/weapons
- Threatened use or threatened possession of firearms/weapons, at school or school-sponsored activities and events
- Wearing gang colors or using gang symbols at school or school-sponsored activities and events
- The consumption, possession or sale of alcohol, tobacco products, or drugs at school or school-sponsored activities and events.

DISMISSAL PROCEDURES

Time of Dismissal. Trinity dismissal is **3:15-3:30 p.m.**

Dismissal Pickup Locations. To make dismissal as efficient as possible, parents/guardians are required to use the following locations for pick-up of students:

K-3rd along with any older siblings & carpoolers: Parents/guardians are to pick up students by the Front (South) Entrance. Students will be escorted to their vehicles by staff.

4th-8th without siblings in K-3rd: Parents/guardians are to pick up students by the MPR (north building). Students will walk out to vehicles under teacher supervision.

Dismissal Procedures. For the safety of Trinity students, we require parents/guardians to follow the Dismissal Procedures outlines below:

- **Follow ALL Illinois State laws, including school zone speeds and cell phone regulations**
- Please do not enter the building; stay in your car and use the pickup line
- Parents/guardians enter the parking lot and display their family name in the car window each day
- Parents/guardians conducting school business or making teacher contacts need to pick up their students prior to contacting staff
- Students not picked up by 3:30 p.m. are automatically escorted to Before and After School Kare (B.A.S.K.), where the appropriate fee is charged
- Parents/guardians picking up after 3:30 p.m. must come to the B.A.S.K. door on the west side of the building to pick up their child(ren); children are not released until after 3:35 p.m. to accurately account for everyone, please be patient
- Students are only dismissed to their parents/guardians or people listed on the emergency card. You **MUST** send a note, email or call the office if your child is going home with someone else.

Walkers and Bikers. Families who live nearby may give written permission for their student(s) to walk or bike to school. Parents may send one letter to cover the school year.

Early Student Dismissal. A student may not leave the school grounds without being escorted by a parent/guardian or another adult designated by the parent/guardian. The parent/guardian should notify the school in writing whenever possible. If a student is to leave the school during school hours, the parent/guardian must pick up the student at the school office and sign him/her out. If returning on the same day, the parent/guardian must sign the student (s) in at the school office. **Parents/guardians should not go to the classroom. Carpool students are not allowed to leave early without their parent's/guardian's permission.**

DISTRIBUTION OF NON-TRINITY MATERIALS

Any distribution of non-Trinity materials such as invitations, brochures, etc. must be approved by the Head of School prior to distribution. Invitations to birthday parties and other personal events do not need Head of School approval, but must be given to everyone in the classroom, or all of the girls or all of the boys; otherwise, please do not distribute at school. Teachers have been instructed not to allow this in the classroom.

DRESS CODE

Trinity Christian School believes that neatness in clothing and appearance of a student is important to promote an atmosphere of learning as well as personal dignity and respect. The dress code is intended to promote a sense of unity among the students and keep clothes, shoes and other aspects of appearance from being distractions. The uniqueness of each person is seen and valued by others in the Trinity community without it being displayed through clothing.

Trinity requires attire to conform to the written guidelines in this section. These guidelines are designed to be flexible enough to accommodate fit, affordability and access, while still maintaining an acceptable level of consistency and ease of enforcement.

Neither boys nor girls may wear their hair in any type of Mohawk style, or any style, shade or manner that is unacceptable and inappropriate in the judgment of administration. No hairstyle should seek to draw inappropriate attention to oneself. Trinity does not prohibit hairstyles historically associated with race, ethnicity, or hair texture, include, but not limited to, protective hairstyles such as braids, locks, and twists.
- **Undergarments:** short-sleeved undershirts may be worn in white only. No dark or visible undergarments.
- **Piercing, jewelry and tattoos:** NO facial piercing or visible tattoos. Girls' earrings should be limited, modest, and no longer than 1 ½". Boys – no earrings. No excessive jewelry, bracelets or necklaces that draw attention.
- **Boots:** snow boots worn to school must be removed and replaced with acceptable shoes for class time. Boots may be worn for outdoor recess only.
- **Footwear:** students must wear shoes that are safe and appropriate for the learning environment. The following style shoes are considered inappropriate for wear at school; light-up shoes, footwear commonly considered as beachwear is prohibited (i.e. flip flops, sandals), no backless shoes, clogs, slippers, moccasins, Crocs, boots or Heelies. Non-black-soled athletic shoes (scuff proof) are required for gym time (indoor recess and P.E. class).
- **Belts:** if a belt is worn, it must be a black, brown (not beige) or navy blue dress belt. No spikes, beads, or designs.
- **Socks:** must be worn at all times - red, white, navy blue and black colors are preferred. Tights in these colors are also acceptable for girls. Socks or tights are to be visibly worn at all times. Low-cut white socks may have a sport emblem (Nike, Adidas) but should not have any other loud colors. Themed socks or obnoxious colored socks are not to be worn at school.
- **Hats, scarves, bandanas, sweatbands:** hats, scarves, bandanas and sweatbands are not to be worn during class time. Hats worn to school should be removed upon entrance to building. Exceptions may be considered for medical reasons. Headbands may not have attached scarf, cat ears, or other attachments, unless celebrating a specific holiday or fun day approved by the teacher or school.
- **Layered clothing:** long-sleeve shirts are not allowed under short-sleeve shirts. Girls may wear socks over tights as long as they are the same color as the tights.

SPIRIT GEAR

Spirit Gear may be worn on designated Spirit Gear days or on dress-down days. A Spirit Gear day is when students may wear TCS shirts, jerseys or past event apparel such as from Pi Day, the TCS Walk-a-Thon, Christmas play shirts, etc. Shirts must abide by school dress-code standards. To view and purchase Trinity Spirit Gear see <http://bigfrogshorewood.com/>. Students who choose not to participate in Spirit Gear days must wear their normal uniform. **ONLY** middle school (6th-8th grade) students may wear Spirit Gear hoodies throughout the school year, and must wear appropriate uniform shirt underneath. No hoodies allowed during chapel time.

DRESS-DOWN-DAY ATTIRE:

Throughout the year there are various opportunities for students to wear regular, non-uniform apparel. These guidelines are for those designated or awarded days.

- All clothing should be in good repair, modest and suitable for a Christian school environment.
 - o No excessively ripped jeans. No holes above the knee.
 - o Shirts should be loose-fitting

- o Leggings, joggers and other form-fitting pants are allowed, but t-shirts, blouses or hoodies must be clearly below the rear end at all times. Failure to do so will lead to the student changing, calling home, or not being allowed to continue to wear form-fitting clothing.
- o No improper emblems, writing or advertisements
- TCS Spirit Gear is highly recommended on dress-down days
- All shirts must have sleeves or caps at the shoulder and be long enough so that the top of the pant is covered (if shirt is not tucked in)
- Shorts and skirts must be at least fingertip length when arms are straight down at their side.
- **The first five items from “Additional Guidelines”** must be followed on dress-down days by students

Adult Volunteers, please abide by the guidelines stated in “Dress-Down Day Attire” when at the school.

ENFORCEMENT:

Infractions will be given based on the three categories of clothing, physical appearance, and footwear.

1st Infraction in a category: Warning notice sent home (correction date given if needed).

2nd Infraction in a category: Parent called to school to make change.

3rd Infraction in a category: Parent called to school to make changes and a detention is issued.

Infraction notices that are sent home must be signed and returned by the parent/guardian the next day.

Infractions will clear at the semester. If a student continues to receive multiple infractions, further appropriate discipline will be taken to correct the problem.

Trinity administration and staff reserve the right to deem a student’s appearance as inappropriate for school.

DRUG/ALCOHOL ABUSE

Trinity is a drug-free and alcohol-free school. The use or possession of alcohol or any illegal and/or mind-altering drug by any student at any school-sponsored event including normal school hours, athletic events, social events, concerts or plays, will result in expulsion from Trinity. The use or possession of tobacco, weapons, firearms, or gang-related materials, in the above situations will also result in expulsion from Trinity.

EMERGENCY CLOSINGS

Parents and guardians will be notified of school closings via text alert through FACTS. They are also encouraged to check the school’s website at www.trinitychristian.info and Facebook page for information. Parents/guardians are encouraged to have their own “emergency” plan worked out ahead of time with their children in the event of an emergency or unscheduled early school dismissal.

FIELD TRIPS

As part of the instructional program, a field trip may be taken to enhance learning. A notice is sent out prior to each field trip. Fees may be charged to cover expenses. No refunds are given if student or parent/guardian/chaperone does not attend the field trip. If parents/guardians do not want their child to participate in a field trip, the student is provided with an alternative educational activity at school as this is a required day of school. **All** drivers, even if only driving their own child, must fill out a Background Check Form, and a Volunteer Driver Application with a copy of auto insurance coverage and a copy of their current driver’s license, at least **three days** prior to field trip departure. If you are chaperoning, please abide by the Trinity Chaperone Guidelines provided to you by the teacher.

FIELD TRIP PARAMETERS

1. **Limitations:** classes are limited to a certain amount of field trips per school year. Anything outside these limits must be brought before administration for consideration. Of course, it is understood that special circumstances can arise and administration can amend guidelines if necessary.
2. **Transportation:** to be determined by field trip organizer
 - a. Parent drivers; a driver with at least three students in each vehicle. A second chaperone per vehicle is encouraged but it is not mandatory. Upon arrival to destination, students should be grouped to allow for two chaperones per group.
 - b. Use a bus service company, especially if multiple class levels are going to same place. The extra cost would be added into price of the field trip per student.
3. Both classrooms in a grade level must take the same field trips throughout the year.
4. Field trips need to be balanced throughout the school year, not scheduled too close together. This is to avoid issues with parent drivers and the fees that come along with some field trips.
5. Teachers are never to drive and escort students alone. Another adult should always be present.
6. Teachers are not to be assigned their own group to ensure they have the ability to administrate the entire trip and be available to any issues that arise.

FIELD TRIP CHAPERONE GUIDELINES

1. Chaperones are to arrive 5-10 minutes before the scheduled departure time given to them by the teacher.
2. Chaperones are to follow the dress-down attire guidelines as described in the Parent/Student Handbook, which is one of neatness and modesty.
3. Students are to leave school and return to school with the same chaperone for safety reasons. No exceptions are to be made unless cleared by the teacher.
4. Students will be assigned to a particular car with a parent chaperone responsible during the trip for the head count and supervision of the students in his/her car.
5. Chaperones may not leave their location until all students are accounted for and the teacher gives permission to return to school.
6. **Chaperones may not take side trips, do family or personal business en route, stop for food or deviate from the planned trip route.**
7. For the safety of our children, all students participating on field trips must ride in a parent/guardian's vehicle, properly secured in a seat.
8. Children and adults shall be transported in accordance with the manufactured rated seating capacity of each vehicle. Seat belts must be worn at all times by all volunteers, teachers and students. NO DOUBLE BUCKLING. Children under the age of 8 and/or 80 pounds or less **MUST** be secured in a booster seat. Children 12 years old and younger and/or less than 100 pounds **MUST** sit in the back of the vehicle if the vehicle has passenger side air bags.
9. Chaperones are to call school at (815) 577-9310 **immediately** if they have car trouble, are involved in an accident, become lost, or a student becomes ill or is hurt.
10. Chaperones must always escort, not send, a child to a public restroom. If enough adults are not available, an adult is to stay within a reasonable distance outside the door, carefully watching for the student's safe return. If a child has a prolonged stay in the restroom, the adult should investigate immediately.
11. Students will use the buddy system on field trips. This includes all restroom breaks.
12. Teachers will not be assigned to a specific group of students in order to be available and responsible for any discipline problems that may come up during the trip.
13. If a chaperone returns to school before the teacher, he/she is to stay with the students until the teacher arrives.
14. Since the students are the primary responsibility of the chaperones, younger siblings **must** remain at home.

15. There shall be no smoking at any time during a field trip, or while transporting students to school sports events, to include marijuana. There shall be no consumption of alcohol during or while chaperoning a field trip. This includes overnight events, during meals, or at any venue while supervising students or on a TCS trip. **
 16. In order to allow chaperones to give students their full attention while driving, we ask that any music played be only Christian music and volume kept to a minimum. No movies please.
 17. Chaperones should abide by state law and refrain from using cell phones while driving students. Please use your cell phone for emergencies only.
- ** Non-compliance will result in a one-year suspension of driving and/or chaperoning privileges for any TCS field trip or event.

FINANCIAL AID

General. The primary use of financial aid is to assist students who, without such aid, would be unable to attend Trinity. Financial aid may include scholarships, grants and/or loans, any of which may be awarded singly or in various combinations. The actual amount of financial aid awarded is determined by such circumstances as family income, total assets, number of dependents and whether the applicant practices good stewardship.

Application. Information is available on our website at
<https://www.trinitychristian.info/admissions/tuition-assistance.cfm>

All applications are kept as confidential as possible. A determination is then made regarding approval and you will be notified thereafter by email. Financial aid funds are limited, and even though aid may be awarded, the student may still fall short of the total amount needed to attend Trinity.

Families will be notified of assistance available to them beginning in May 2026 or later. All new and continuing students must establish financial need annually in order to receive financial aid. For further information, please contact the Business Services Director at 815-577-9310, ext. 312.

Probation and Suspension from Financial Aid. All members of an applicant family receiving financial aid at Trinity are required to remain in good standing and meet all other obligations as required in the Parent/Student Handbook and Parent Agreement throughout the school year. Students are placed on probation from the financial aid program if these responsibilities are not met. Suspension of financial aid occurs if obligations are not met by the end of the probation period.

In Good Standing. To receive financial aid, a student must be in good standing and not receive academic, behavior or character probation or suspension of any kind.

Special Circumstances. If you have extenuating circumstances impacting your financial obligations to Trinity, please request a Financial Aid Special Circumstance form from the office.

FIRE, ACTIVE INTRUDER, AND TORNADO DRILLS

Yearly fire, active intruder, and tornado drills are conducted for the safety of our students. Administration annually works with Shorewood emergency agencies to ensure the most updated procedures are in place.

FOOD AND DRINK POLICY FOR STUDENTS

To help maintain a clean, healthy, and distraction-free learning environment, Trinity Christian School asks students and families to follow these guidelines regarding food and beverages during the school day.

Beverages

- Water is preferred during the school day. Students are encouraged to bring a refillable water bottle.
- Soft drinks/soda and energy drinks are not permitted during the school day

- Students should not arrive at school with coffee or specialty beverages, including iced coffee, lattes, frappuccinos, energy drinks, or similar drinks
- Beverages purchased or brought for a special classroom or school-sponsored event may be allowed with teacher or administrative approval

Food

- Students may bring appropriate food for their scheduled snack and lunch periods
- Food should be eaten during designated snack or lunch times unless permission is given by a teacher
- Students should not bring excessive amounts of candy, junk food, or other items that become a distraction during the school day
- Food and drinks should not be shared between students due to allergies, dietary restrictions, and other health considerations

Morning Arrival

Students should finish breakfast, coffee, fast-food beverages, and other specialty drinks before entering the school building. Students arriving with prohibited beverages may be asked to dispose of them before going to class.

Our goal is to establish reasonable expectations that promote good habits, protect the school's facilities, and keep the focus of the school day on learning.

FORM OF PAYMENT

All school fees are billed and paid through the FACTS Tuition Management. It is the parent's responsibility to adhere to the policies set forth by FACTS. Failure to do so could result in students not being allowed to participate in the billable event.

FUNDRAISING

As a private, non-denominational school, Trinity relies on only a few sources for income: tuition, building usage fees, donations and fundraising. We are not affiliated with or subsidized by a church. From our beginnings, in order to keep tuition lower than the actual cost of educating a student at Trinity, our approach has been to give families the opportunity to subsidize the cost of education at Trinity by raising funds, other than from their own pockets, by sponsoring three major fundraisers:

1. Benefit Event
2. Walk-a-Thon
3. RaiseRight Gift Card Program

Mandatory Three Major Fundraisers

Trinity families are required by the Parent/Guardian Agreement to participate in the three major fundraisers as follows:

1. **Parents/guardians are required** to participate in the Benefit Dinner, by attending and purchasing a minimum of two tickets. All R.S.V.P.s and monies are due in March.
2. **Parents/guardians are required** to participate in the Walk-a-Thon in September, by raising and submitting at least \$200 per family. Money raised is due in early October.
3. **Parents/guardians are required** to participate in the RaiseRight Program throughout the school year, resulting in \$200 in earnings for Trinity. These earnings or \$200 by check per family is due in May.

These are minimum requirements. Should a family fail to satisfy these requirements per event, they are considered to have violated the Parent Agreement and the unmet amount is considered an "Unsettled Indebtedness" (See Tuition, Fees & Policy herein) and will be processed accordingly.

Optional Fundraising

From time to time, departments, classrooms or other Trinity groups sponsor optional fundraising for specific projects such as mission opportunities, athletic uniforms, student council activities, etc. These fundraisers are optional for all families.

Fundraising Approval Policy

It is the express intent of the Trinity Board to require parents/guardians to only participate in the three major fundraisers, which are designed so parents/guardians may raise funds from sources other than their own personal funds. The Board does not desire for families to feel “nickel and dimed” while they are a part of our Trinity Family. Therefore, all fundraising which solicits funds from parents/guardians must be submitted in writing to the Head of School for approval prior to the first day of school. Requests will be reviewed by a committee and considered in light of other events and the overall financial and strategic goals of Trinity. If a fundraising opportunity is submitted after the start of the school year, other scheduled events will take priority and the event will likely be denied or scheduled for the following school year.

Type of Fundraising Permitted

As a general guideline, any fundraising efforts at Trinity must directly benefit the school or an organized mission opportunity. Fundraising for individual people or families is not a permitted fundraising activity. This policy is consistent with the Trinity approach to fundraising. However, for a family body reaching over 200 families, there are many people in need, and in these situations Trinity provides the opportunity for such families to apply for financial aid. Exceptions may be considered for extraordinary circumstances with the full approval of the Head of School and Board of Directors.

GRADING SYSTEM

Report Cards. Report cards are made available through each family's FACTS Family Portal four times a year, at nine-week intervals for all students, K-8. Report cards will also be emailed to families each quarter.

Grading System. Families may review grades in the Family Portal any time. Kindergarten and first grade students receive these skills-based scores: **E**= Excellent/Exceeds Expectations; **S+** = Above Satisfactory/Consistently Meets Expectations; **S**= Satisfactory; **S-** = Below Satisfactory; **N**= Needs Improvement; Grades are issued on report cards in percentages for 2nd-8th grade, based on the grading system below:

Letter Grade		Percentages	GPA

GYMNASIUM RULES

Trinity practices respect for its facility as it is considered a blessing from God. To insure the best practices for our facility as it is related to the gymnasium, the following rules shall apply:

1. Physical Education classes and Trinity athletic events take priority in the use of the gymnasium.
2. Classes should be in different areas of the gymnasium when more than one class is present.
3. All persons using the gymnasium for any reason should be certain to clean up any items from such use and no balls or other equipment should be left in the gymnasium.
4. All persons using the gymnasium are to wear athletic (non-marking) shoes only.
5. No food or drinks are allowed at any time in the gymnasium.

HEALTH, WELLNESS and SAFETY

Students' learning and ability to achieve excellence in all they do is impacted directly by their health and wellness. Trinity becomes the *in loco parentis* once a student enrolls, which means we step into the shoes of the parents/guardians while the student is in attendance at Trinity. Helping our students take care of themselves is consistent with scripture, which tells us that our bodies are "temples" for the Holy Spirit and we must honor God with them (1 Corinthians 6:19-20). Therefore, we have set forth the following guidelines to promote safety and healthy lifestyles as we educate students about healthy choices:

1. All students who have been diagnosed by a practicing physician with severe allergies, asthma, rare diseases, diabetes or other life-threatening conditions are required to submit an action plan with the office.
2. Student birthday celebrations in the classroom should not involve food or candy. This policy has multiple purposes: (1) to prevent unnecessary allergen contamination within the classroom; (2) to avoid unhealthy food choices during birthday celebrations; and (3) to eliminate the mess and inconvenience to the classroom typically caused by these treats.
3. When participating in field trips, a parent/guardian or their designated representative will accompany the high-risk student as well as carry a first-aid kit containing the medical supplies required for the high-risk student. The teacher is not specifically responsible for the high-risk student as the teacher needs to manage the entire field trip, nor does the teacher administer medications unless a high-risk action plan has been developed with Administration.
4. A first-aid kit must be brought out during recess, containing basic medical supplies and the office medicine cabinet must be consistently stocked with basic medical supplies. Any special medications need to be supplied by the parent/guardian, properly labeled and given to the office. It is the parent's/guardian's responsibility to supply the school with any medications as well as providing the office with a Medication Self-Administration Consent before medications can be administered at school.

HOMEWORK ASSIGNMENT POLICY

Trinity considers homework to be purposeful, directed and a reinforcement of classroom learning. However, we also understand the importance of family and church, thus there will be no homework assigned over the weekend (with the exception of quality reading time, extended projects, etc.). Homework will also not be assigned over these extended holidays: Thanksgiving Break, Christmas Break and Easter/Spring Break. Limited work will be assigned during Standardized Testing. For late assignments, faculty may take points off, give zeros, keep students in from recess, call parents/guardians or give detentions for chronic late, missing or incomplete assignments.

HONOR ROLL

At the end of each nine-week quarter, students in Middle School who have achieved a grade point average (GPA) of 3.0 or better, computed over their six core classes which include: Bible, science, history, English language arts, PE/health, and math; are placed on honor roll. Students may not have any grades lower than a C- in any elective class for honor roll eligibility. Honor roll is a GPA of 3.0-3.49, high honor roll is a GPA of 3.5-3.99, and Golden Eagle is a GPA of 4.0. Students being placed on the honor roll are acknowledged at the awards ceremony at the end of the year.

LUNCHES

Hot Lunch. Hot Lunch is currently offered by Trinity Monday through Friday. Families have a monthly opportunity to sign students up for hot lunch and pay the applicable costs online. Hot Lunch is optional. It is school policy to not refund lunches purchased for any reason other than school closures. Please make note of class field trips and do not order for those days.

Sack Lunch. Sack lunches should be sent to school for lunch and classroom snacks. Please make sure the student's name is on his/her lunch box. Refrigeration is not available to students. Forgotten lunches are to be dropped off at the school office. DO NOT bring forgotten lunches directly to the classroom. There is no microwave available for children; lunches must be ready to eat.

Drinks. We ask that parents/guardians do not send soft drinks, coffee drinks, or energy drinks for lunches.

Lunch Delivery. Please do not order lunch to be delivered to school by an outside party.

Lunch Rules for Students. Students eat lunch in the cafetorium under supervision. Students are expected to follow lunchroom rules as explained by instructional staff and stated herein:

1. Each student gets his/her lunch and sits at a table.
2. Students keep hands and feet to themselves and must refrain from bothering other students' possessions and lunches.
3. Students should clean up after themselves including table, chair and floor.
4. When the student's area is completely clean, each student waits for the lunchroom supervisor to excuse them.
5. Students may not share their food due to allergies and sanitation reasons.
6. Disruptive students are given one warning and then moved to a table by themselves.
7. Continued non-compliance may result in demerits and/or loss of privileges.
8. The stage is off limits to all students, including preschoolers and student siblings.
9. Moments of quiet time may be provided so students can finish their meals rather than talking.

Lunchroom Rules for Supervisors. Volunteers supervising the lunch period should be advised of the following rules and procedures:

1. Lunch buckets are brought to the cafetorium by the students.
2. Students are allowed to go to the garbage can one time when they have finished eating and have been dismissed.
3. Lunch monitors check to make sure that younger children are eating their sandwiches and fruit and not throwing them away.
4. Students are responsible to clean up after themselves including the table, chair, and floor beneath them.
5. Students may converse quietly. If it becomes too noisy students are given a verbal warning. If the noise persists the whole lunchroom is given two minutes of silence. This action may be repeated if necessary. If there is a significant lack of cooperation, students may miss a portion of their recess.
6. Students may not share their food due to allergies and sanitation reasons.
7. Lunch monitors must abide by the dress code for volunteers.

MEDICAL INFORMATION

Physical/Dental/Vision Examinations. Illinois State Code requires all students entering *preschool*, *kindergarten* and *sixth grade* to have a **complete physical with updated immunizations**. Students who have not met these requirements by Oct. 15 will be excluded from school. All students entering *kindergarten*, *second* and *sixth grades* are required to have a **dental examination**. Students entering *kindergarten* must also submit a **vision exam**. Students entering *preschool* and *sixth grade* must have proof of Hepatitis B immunizations. All Trinity students must submit a copy of their physical and immunizations.

Medication. In compliance with Illinois State Law, the school does not have authorization to administer any prescription medication to students without written authorization from the parents/guardians and the physician who prescribed the medication. The parent/guardian must complete the Medication Self-Administration Consent Form and have it on file in the school office. Medicine must be in the original container or prescription bottle, appropriately labeled by the pharmacist, physician, or manufacturer. Nonprescription medication such as Tylenol, Benadryl or cough medicine may be administered if a written consent form has been documented with the front office. Verbal contact with a parent/guardian will always be made in every case when a student seeks over-the-counter medication and a consent form is not on file for specific use. Medication is stored in the school office in a safe place. Only authorized Trinity staff may administer medication. Per 105 ILCS5/22-30, the school and school personnel incur no liability for injuries occurring when administering asthma medication, an epinephrine auto-injector, or a medical cannabis infused product. Parents agree to this by way of signing the Parent/Student Handbook Cooperation Form, and also the required Medication Self-Administration Consent Form.

Asthma. If your son or daughter has a history of asthma there are some additional steps to take to ensure they are cared for in the best way possible during the school day. Asthma can be managed in the school setting so that children can be active, healthy, and available to learn. Addressing asthma in the school setting is a collaborative effort and should be updated at the beginning of each school year.

ALL students with asthma should have a written Asthma Action Plan in place in the school setting. This plan provides information about medication, symptoms, triggers, and when to step-up treatment for worsening symptoms or other special considerations such as a pre-exercise plan.

If your child is prescribed an inhaler and will be using it at school or any school functions, Trinity Christian School **requires** that the Medication Self-Administration Consent Form be **filled out and signed by the child's physician and signed by the parent**. If you would like your child to carry their inhaler, your child's doctor and parent permission needs to be indicated on the Medication Consent Form. Please update the school with any modifications made in his/her treatment throughout the school year.

Diabetes. If your son or daughter has a history of diabetes there are some additional steps to take to ensure they are cared for in the best way possible during the school day. Diabetes can be managed in the school setting so that children can be active, healthy, and available to learn. Addressing diabetes in the school setting is a collaborative effort and should be updated at the beginning of each school year.

ALL students with diabetes should have a written Diabetes Action Plan in place in the school setting. This plan provides information about medication, symptoms, triggers, and when to step-up treatment for worsening symptoms or other special considerations such as a pre-exercise plan.

If your child is prescribed insulin and will be using it at school or any school functions, Trinity Christian School **requires** that the Medication Consent form be **filled out and signed by the child's physician and signed by the parent**. If you would like your child to carry their medication, your child's doctor and parent permission needs to be indicated on the Medication Consent Form. Please update the school with any modifications made in his/her treatment throughout the school year.

Medical Cannabis. If your child is a registered qualifying patient per 105 ILCS5/22-30 and will be using medical cannabis at school or any school functions, Trinity Christian School **requires** that the Medication Self-Administration Consent Form be **filled out and signed by the child's physician and signed by**

the parent. Please update the school with any modifications made in his/her treatment throughout the school year.

Injuries. In the event of a serious injury, every effort will be made to contact the parent/guardian before a child is transported to the hospital. An ambulance may be ordered if deemed necessary before a parent/guardian can be reached. If the parent/guardian is not present and the student needs to be transported by ambulance, a Trinity employee will accompany the student to the hospital. If treatment at a hospital or doctor's office is required, the parent/guardian assumes full responsibility for costs incurred. Minor first aid is administered in the school office. Minor injury reports are filed with the office for non-serious injuries. A copy is sent home with the student.

Guidelines for Illness. Students who become ill during the school day must report to the school office. Parents/guardians are then notified, as needed. If a child is vomiting, has diarrhea, or has a fever of 100-degrees Fahrenheit or higher, the parent/guardian is required to pick up the child. If parents/guardians cannot be reached, emergency contacts are called. Students **MUST** be fever free for 24 hours before returning to school. Similarly, students who have vomited or had diarrhea **MUST** be symptom free for 24 hours before returning to school. The following diseases must be reported to the school. The Will County Health Department develops each policy.

1. **Chicken Pox:** All pox must have a dry scab and no new pox must have appeared for the last four days.
2. **Pink Eye:** Eyes must be clear (no redness or secretions) or bring a doctor's note verifying that the child may return to school.
3. **Ringworm:** The child must be using a doctor-prescribed medication, and a bandage must cover the ring.
4. **Strep Throat:** We must have a doctor's note, or the child must be on an antibiotic for a minimum of 24 hours.
5. **Measles, Mumps, Whooping Cough, Pneumonia, Pinworms and Scabies:** Must be reported to the school office.
6. **Lice:** Any student found with lice or nits will be immediately sent home. We must have either a doctor's note verifying that the child has been treated, or a dated receipt for the purchase of Quell, which is a prescription shampoo from the doctor, before the child may return to school. All nits must be removed from the hair within five days of treatment in order for the child to remain in school. Another treatment of Quell may be necessary if the nits remain. The school office will check the child before being returned to the classroom. If multiple reports are made of lice, the school will take proper action to handle the situation.

NON-DISCRIMINATION POLICY

Recognizing that all people are special creations of God, having been made in His image, Trinity welcomes all national and ethnic origins and affords them all rights, privileges, programs and activities. Educational admission policies and tuition assistance, as well as athletic and other school administered programs, do not discriminate on the basis of sex, race, color, national or ethnic origin. Any form of harassment, including sexual harassment, is absolutely prohibited. We do reserve the right to deny admission to any individual who cannot benefit from enrollment based on past academic achievement, disqualifying handicap, or whose personal lifestyle is not in harmony with the stated mission, purpose and beliefs of Trinity Christian School. We encourage individuals to work through any grievances by using the school's problem resolution process as identified on p. 29 and in the Parent Agreement in Appendix A of this handbook. Any discrimination grievance may be brought to a Trinity Christian School Board member.

PARENTAL REQUIREMENTS

Trinity strives to meet the needs of the total child and complement the role of the parents/guardians as the primary educators of the child. This can only be accomplished when parents/guardians are involved in their children's formal education. Upon acceptance of a child into Trinity and each year thereafter, the parent/guardian must sign the Parent Agreement and by doing so, thereby enters into a cooperative agreement with Trinity (see current Trinity Parent Agreement for details). Continued enrollment of a student is contingent upon their parents/guardians upholding the terms of the Parent Agreement. The terms of the current Parent Agreement are hereby made a part of this Handbook.

General Cooperation. In addition to the Parent Agreement (see Appendix A), Trinity encourages parents/guardians to:

1. Earnestly pray for Trinity
2. Take an active part in those events sponsored by the school
3. Take an active role in PTM and Fundraisers
4. Pay the tuition and fees for services rendered through the school's educational program according to tuition payment policies
5. Become involved with their child's overall education
6. Support Trinity in the administration of its discipline policy as set forth in this handbook

PARENT-TEACHER MINISTRY

Purpose. The Parent-Teacher Ministry (PTM), with oversight by the Director of Special Events, provides an avenue for parental involvement and vital support of the school. The PTM ministers to our teachers and staff and provides opportunities for fundraising and social activities for the school. Parents/guardians are strongly encouraged to become active PTM members and encouraged to join at least one PTM committee. Volunteer hours are available through PTM committees to satisfy the 20-hour annual commitment per student.

PTM Officers. PTM Officers are nominated by the parent body and serve in accordance with the current Trinity PTM manual. PTM Board Members serve a two-year term. A PTM Board Member may serve for a second term. The maximum number of terms a PTM Board Member may serve is two.

Phone numbers or addresses of students and employees are NOT to be given out to the general public unless permission has been given to the office.

PHYSICAL EDUCATION EXCUSES

Students who are unable to participate in P.E. due to medical reasons need a note from home, turned in to the front office. The physical education teacher will review the request. A doctor's excuse must be provided if he/she is unable to participate for a period greater than three days, dated and specifying the duration of non-participation. Students may be required to follow an alternate lesson plan during that time, which may include alternate activities and/or written work.

PHYSICAL EDUCATION UNIFORMS

For grades 6-8, a minimum of one PE uniform is required to be purchased. Extra uniforms may be purchased through the company designated by the school. PRESCHOOL PROGRAMS

Trinity offers preschool for three-year-old students (two and three days/week, a.m. and p.m.) and pre-kindergarten for four-year-old students (three or five days/week, a.m., p.m. and full-day). Classes are held on campus at Trinity and off-campus at Plainfield Christian Reformed Church. Daily schedules, preschool handbook, and tuition information may be obtained from the Preschool Office at (815) 577-9310, ext. 303.

PROBLEM RESOLUTION

In an effort to keep Trinity operating in righteousness and in accordance with biblical standards, all parents/guardians, employees, board members and students need to follow the Matthew 18 principle: "If your brother wrongs you, go and show him his fault, between you and him privately. If he listens to you, you have won back your brother." Matthew 18:15. If there is a conflict, these steps need to be followed:

- First pray about it;
- Second, arrange a time to meet and privately discuss the problem with the individual(s) directly involved;
- During the meeting, discuss the matter in a respectful and calm manner with a goal of reconciliation;
- Fourth, if an understanding has not been achieved, arrange a meeting with the next chain of command level; teacher/staff, Head of School, Board.

Consequences for not handling conflicts as stated above are at the discretion of Administration and the Board and may include probation, suspension or dismissal.

DO NOT:

- Gossip about the problem or slander the person
- Discuss the details of the problem while arranging a meeting
- Harbor bitterness
- Make the matter public by speaking in front of others, including our students

As stated in the Parent Agreement, parents/guardians must seek to resolve any problem with the person(s) involved without involving those outside of the situation. They will follow proper chain of command, (employee, Head of School, Board) one step at a time, in seeking a solution.

RECESS

A teacher/staff/volunteer must accompany students while they are on the playground. It is an absolute necessity that students be supervised at all times. Outside recess is planned when the "feels like"

temperature is 20 degrees Fahrenheit or warmer. Students should bring appropriate clothing (hats, gloves, boots, etc.) for outdoor recess each day. All children are encouraged to play outside with the group whenever possible. Children who remain indoors must be under the supervision of an adult at all times.

Recess Rules

1. All students must go outside for recess unless they have a note from a parent/guardian or teacher. Students who need to be excused for an extended period of time require a doctor's note.
2. All students will play on and within the designated area around the school.
3. Students are not allowed to retrieve balls outside the designated area without adult permission.
4. Students must have permission to enter the building.
5. Students are not allowed to kick or throw balls against the building.
6. Students are not allowed to push, shove, kick, or fight with other students.
7. Students are not allowed to use inappropriate language or be disrespectful to playground supervisors or other students. Disrespect includes taunting or yelling at another, arguing with authority, or mocking authority.
8. One warning is given to a student for disobeying any of the above rules. If a student continues to disobey, that student will be told to quietly sit out for the rest of recess and may be sent to the Head of School.

Snow Rules

1. Winter Wear:
 - K-3 snow pants, boots and gloves
 - 4-5 boots and gloves
2. Students are not allowed to throw ice/snow or kick ice/snow at other students, unless otherwise authorized in a designated area.

Playground Rules

1. Students will use playground equipment according to the rules given by the monitors.
2. Students will stay within playground boundaries and away from the air conditioners and building.

REGISTRATION PROCEDURE

Trinity Christian School families agree to Continuous Enrollment for their students once their students have been accepted for enrollment through the Admissions process. Families will complete one enrollment packet per student, which will keep each student enrolled through eighth grade graduation, unless the family notifies Trinity of their intention to withdraw the student before that time. New students applying to Trinity must apply online through FACTS, and satisfy all Admission requirements as defined in the Admissions section of this handbook.

RETENTION POLICY

It is the policy of Trinity Christian School to ensure that all students are placed at appropriate grade levels. Although elementary students will generally be promoted to the next grade on an annual basis, there may be instances in which the child's academic and social performance will require that the student be retained in a grade. The following procedures shall apply in the case of a retention in grade:

- No later than the end of the second quarter, the classroom teacher shall determine whether any of the students in his/her classroom are in danger of requiring retention based on lack of significant academic progress. Notification should be made to the Director of Education for discussion of the situation.
- Retention will be considered only after other alternatives have been explored and attempted.
 - o Student may be referred for a special education evaluation
 - o Outside tutoring for specific subjects the student is struggling/failing in
 - o Therapy or counseling is explored
 - o Continued, documented communications with parents

- After discussing with Administration, the classroom teacher will determine whether that a student is in danger of requiring retention, the teacher must give notice to the parents or guardians as soon as possible, but in any event no later than the last day of the third quarter. All communications should be supported with evidence of student work and documented for future reference.
- The teacher shall make the final recommendation to retain the student no later than May 1, and provide the parents or guardians with a verbal and written notice of the decision to recommend retention.
- A parent conference with teachers and administration will be established to make a final decision in regards to the student's status for promotion or retention.

SOCIAL MEDIA POLICY AND GUIDELINES

Trinity Christian School is committed to preserving the innocence, privacy and safety of our students and staff. To this end the school has adopted the following social media policy which applies to all TCS employees, teachers, students, Board Members and auxiliary personnel. This policy covers all social media and media platforms, social networks, blogs, photo sharing, wikis, online forums and video sharing.

- Students are not permitted to use phones or cameras on field trips unless granted permission from school authority.
- Discretion is to be exercised in taking pictures; avoiding potentially embarrassing photographs or photos that include or encourage behavior that is unbecoming of a Trinity Christian School student.
- It is Trinity's strong preference that pictures, videos or other recordings that include children who are not the photographer's child not be posted to social media sites. If such pictures are posted, postings must not disclose the names or other identifying information of the children in the picture other than that of the poster's own child.
- No adult or child shall post on social media pictures or the location of a school event while the event is still in progress. This is to ensure the safety of participants by not revealing their location during school activities. This is especially critical during activities such as retreats, conferences and field trips.
- TCS employees are not permitted to solicit or accept "friend" requests from enrolled TCS students on any personal social media account. This includes student's accounts and TCS employee personal accounts.
- TCS employees are not permitted to encourage students (K-8) enrolled at TCS to create social media accounts of any kind.
- No TCS employee may utilize Facebook, Twitter or Instagram for classroom purposes. Any other social media platforms (i.e. class dojo, seesaw) used to provide classroom information to students and parents must have administrative approval. Platforms must be closed groups and must be exclusively about classroom or school activities.

TCS will not request or require a student to provide a password or other related information in order to gain access to the student's account or profile on a social networking website or application. There is an exception to this in the event the school needs to investigate a site that may have been used in violation of disciplinary policy. Trinity may require the student to share content in the course of such an investigation.

Cyberbullying:

Cyberbullying is the use of electronic information and communication devices to bully a person, typically by sending messages of an intimidating or threatening nature.

- Cyberbullying by a TCS student directed toward another TCS student or school staff member is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe environment.
- TCS prohibits acts of cyberbullying by TCS students through the use of any TCS owned, operated, and supervised technologies. The school Head of School or designee may report allegations of cyberbullying to law enforcement authorities.

- Any act online, the Internet or through electronic devices (cellular phones, tablets) that deliberately threatens, harasses, intimidates an individual or group of individuals; places an individual in reasonable fear of harm to the individual or damage to the individual's property; has the effect of substantially disrupting the orderly operation of the school is considered cyberbullying.
- Any student or school staff member who believes he/she has or is being subjected to cyberbullying, as well as any person who has reason to believe a student or school staff member has knowledge or reason to believe another pupil or school staff member is being subjected to or has been subjected to cyberbullying shall immediately make a report to the school Head of School or designee.
- TCS does not tolerate cyberbullying and each reported instance will be handled in accordance with school, local and state rules, policies and guidelines.

STANDARDIZED TESTS

In order to evaluate the student's capability to learn and his/her progress, the school utilizes the Iowa Basics Standardized Test, administered annually to grades K-8. Students in K-8 also take the Iowa Single Subject Assessment in reading and math, twice a year.

Students or employees who feel that they have been subjected to conduct of a harassing nature are encouraged to promptly report the matter to the Head of School.

STUDENT WITHDRAWAL POLICY

Withdrawal of a student for any purpose other than family relocation may cause forfeiture of all tuition paid. In the case of relocation, tuition is prorated. Tuition is not refunded after the sixth week of the first quarter of school. If a child is expelled from Trinity, no tuition is refunded. Withdrawal is only processed upon receipt of a signed withdrawal form available in the office. Student records will be released to the student's next school, as requested.

TEXTBOOKS/FINES

All textbooks remain the property of the school unless designated otherwise. **Students are not to write in them.** Textbook covers (furnished by students) are required for all hardcover, school-owned texts to

preserve the life of the books. Students are required to pay for any book(s) that is/are lost or damaged. If a textbook is lost, or classified as a total loss, the student is required to pay the full replacement cost of the textbook. If the book(s) is/are damaged, a fine will be assessed for damaged textbook(s) by the teacher. The teacher will fill out a textbook fine form describing the damage to the book, assessing the fine, and turn it in to the Director of Education. A copy of the form will be given to the parent/guardian for their signature and a copy will be placed in the student's file. A student's records and report card will not be released until all fines and damages are paid to Trinity.

Threats are considered as an action, written (on paper or online) or verbal communication which has announced or communicated danger, evil, injury or damage.

Students are not allowed to talk about committing an act of violence, threaten to commit an act of violence, or joke about committing an act of violence toward anyone at TCS. Likewise, students are not allowed to possess any instructions on how to commit an act of violence.

If the administration determines that a threat of violence is credible and specific, the student will be immediately suspended. Readmission will be considered after an administrative review. In those circumstances where the administration determines that the threat is not likely or credible, the school will suspend the student pending a parent meeting (including cases where the student was "just joking.") The school may require students in this circumstance to obtain counseling from a Christian counselor or other professional until the counselor advises that the student does not represent a threat of danger.

Trinity Christian School maintains the right to involve the proper authorities for further investigation.

(see Appendix A: Parent Agreement)

Late Payment. All billable payments are to be paid through FACTS Tuition Management. Late payments are handled as per the FACTS Tuition Management policy.

Non-Sufficient Funds. Should the school receive a non-sufficient funds (NSF) notice at any time, a fee per NSF is assessed to the parent/guardian accordingly.

Unsettled Indebtedness. Any student whose tuition, fees, B.A.S.K. payments, fundraising minimums and any other financial obligation incurred at Trinity, has not been paid as of the current quarter in which it is due, will not be allowed to return to school the following quarter until such indebtedness is paid in full. Trinity shall take any measures deemed necessary to enforce this policy, including but not limited to, withholding student report cards, canceling conferences or not permitting student to continue attending Trinity. Moreover, as stated in the Parent Agreement, "All financial obligations must be met before final grades are issued and reenrollment is contingent upon fulfillment of all obligations." Should there be any unsettled indebtedness to the school at the end of each quarter or end of school year, any and all students will automatically be removed from the current class list for the following school year. Such student(s) will be placed on the waiting list for their class until such time as their balance is paid. Please note, a student will be granted reenrollment only upon full payment of all indebtedness or unless otherwise agreed to with the Director of Business Services. Reenrollment is based on availability in a class at the time of full payment and is not guaranteed. In addition, no degree is conferred, nor credits given, nor transcript issued, nor letters of honorable dismissal, nor school records released or recommendations written for such students until the indebtedness is satisfied.

Refunds. Tuition is not refunded after the sixth week of the first quarter of school. Withdrawal of a student for any purpose other than family relocation may cause forfeiture of all tuition paid. In the case of relocation, tuition is prorated. If a child is expelled from Trinity, no tuition is refunded. If you have any

questions or concerns on Refunds, Payments or Unsettled Indebtedness, please contact:

Trinity Christian School, Attn: Business Services, 901 Shorewood Drive, Shorewood, Illinois 60404; or by phone at 815-577-9310, ext. 312.

VIDEO SURVEILLANCE

In order to promote the safety of employees, students and visitors as well as the security of the facilities TCS may conduct video surveillance of any portion of its premises at any time, the only exception being private areas of restrooms, showers, and locker rooms. Video and security cameras are positioned in appropriate places within and around TCS buildings and used in order to promote the safety and security of people and property.

VOLUNTEER PROGRAM

Serving from the Heart is at the core of the Trinity Volunteer Program. While Trinity is a community of believers, it is also a high-commitment school. It is our hope when we serve the school, whether cleaning up from lunch or chairing a major fundraiser, we *give it our all* and serve “heartily as unto the Lord.”

General Guidelines. Volunteering at Trinity is your chance to be involved with your child's world. Parents/guardians are required to volunteer 20 hours per child, with a maximum of 60 hours per family, and must complete them one week prior to the last day of school. Grandparents are welcome to serve for your family. In the event parents/guardians are unable to meet this requirement, a \$25 charge for each hour not served is assessed. We use 20 hours as a benchmark, but it is our hope parents/guardians will serve as much as they are able. All parents and volunteers are subject to an annual background check.

Check-in and Checkout. For the safety and security of Trinity students, all volunteers and visitors are required to sign in at the office and wear a Volunteer ID Badge. Please remember to sign out before leaving the school.

Logging Hours. Parents/guardians are responsible to log in all volunteer hours in the HelpCounter program, by using the volunteer computer located in the office. Instructions on how to use this program are located near the computer. This program tracks your hours and will email families monthly updates.

Volunteer Opportunities. A current list of volunteer opportunities can be found online by going to the school's website. Scroll over the “Community” tab and click on “Volunteer Opportunities.” Trinity offers a variety of opportunities for those parents who are able to serve during the school day, as well as those who are only able to serve at home, on weekends or for special events.

Volunteer Reminders. We use a program called Remind to remind volunteers the day before their daily commitments, via email or text message. It also serves to notify families of last-minute volunteer needs, and allows for communication between volunteers and the Volunteer Coordinator.

Cancellations. Volunteers are responsible to find a replacement if they are unable to fulfill a particular commitment. An electronic copy of our family directory is provided shortly after the school year begins. Please use this resource to contact other parents to fill in for you.

Volunteer Dress Code. While volunteering at Trinity, please be sure you are complying with the Trinity dress code. It is important to set a good example for our students. Our *Parent/Student Handbook*, p. 20, specifies NO short shorts/skirts, sleeveless shirts/blouses and no visible undergarments.

Young Children at School. When volunteering we appreciate your individual attention. Having a young child present seriously limits a volunteer's ability to serve and may put our students' safety at risk. Thank you in advance for your cooperation.

Events that Do Not Accrue Volunteer Hours. The following are volunteer opportunities that bless you, teachers or families in a special way, without the benefit of earning hours. In this way, we promote

our mission statement and demonstrate to our children what it means to be a disciple of Christ.

- SonShine Ministry
- Classroom parties
- Teacher Treats (First Tuesday of every month; buy or bake snacks for teachers)
- Teacher Dinners (provide meals for teachers on the two parent/teacher conference nights, and the three mandatory school meetings)
- Time spent watching sporting events
- Time chaperoning field trips

APPENDIX A: TRINITY CHRISTIAN SCHOOL

Parent Agreement 2026-2027

At Trinity Christian School, we strive to achieve excellence in all aspects of a student's life. Partnering with you is essential to achieve this goal and equip our students to become disciples of Christ. Achieving this level of excellence is required by our mission statement and further explained in our Parent/Student Handbook. To be certain of what we expect from parents and to hold you accountable to Christian living as it relates to all areas at Trinity, you are required to sign this Parent Agreement.

We, as parents of Trinity, understand that enrollment is not a right, but a privilege and do affirm that there are standards that must be attained and maintained for the welfare of each student as well as for the entire school. Accordingly, in addition to Christian principles set forth in the attached Statement of Purpose and Statement of Belief and requirements of the Parent/Student Handbook, we hereby agree to the following:

1. FAMILY COOPERATION AGREEMENT. Upon acceptance of a child into Trinity, the parent or guardian enters into a cooperative agreement with the school as follows:

- a. Grade Placement.** We as parents understand that once a child is admitted to Trinity, the teachers will work together to place our child in the academic programs, including grade entrance placement, which will benefit our child. Upon admission, we agree to abide by Trinity's recommendation for grade placement.
- b. Uniforms.** We agree to uphold the dress code as stated in the Parent/Student Handbook. We recognize the determination of whether our child is in compliance with the dress code is solely at the discretion of Trinity and we agree to have a cooperative spirit if any dispute arises with regard to our child and uniforms.
- c. Church Life.** We pledge that our family will have an active and ongoing church life.
- d. Discipline.** Upon acceptance to Trinity, we hereby give permission for our student's teacher and/or other agents of Trinity to determine and enforce classroom regulations in a manner consistent with Christian principles of discipline. We will continue to uphold the authority of the teachers and staff at Trinity by recognizing their right to use disciplinary strategies they deem necessary (as approved by the TCS Board and set forth in the Parent/Student Handbook), and will cooperate fully in this regard.
- e. Overall Participation.** We recognize that Trinity strives to meet the needs of the total child and compliment our parental role as the primary educators of our child. This can only be accomplished when we, the parents, are involved in our child's formal education from the beginning, including participation in the activities of Trinity. Accordingly, we agree to work with the faculty and administration and become involved with our child's overall development by:
 - i. Attending three mandatory parent meetings throughout the year
 - ii. Attending scheduled parent/teacher conferences
 - iii. Actively participating in those events sponsored by Trinity
 - iv. Actively supporting PTM
 - v. Fully participating in fundraisers and fully meeting fundraising commitments
 - vi. Meeting volunteer hours as required and serving with a good attitude
 - vii. Paying tuition and fees for services rendered through Trinity's educational program in a timely manner
 - viii. Responding to communications from Trinity in a timely manner
 - ix. Reading all communications sent by Trinity to be aware of all school activities

- f. **Required Volunteer Hours.** It is Trinity's belief that children excel when their parents are involved in their lives. Trinity also believes that the school environment is an extension of the home and having parents visibly and actively involved creates a unified and consistent environment for the child to thrive and for proper Christian character to be developed. Moreover, from a financial perspective, the level of excellence Trinity obtains could not exist if it were not for the volunteer ministry from parents who serve Trinity in many necessary ways. We acknowledge these Trinity beliefs and agree to volunteer a minimum of 20 service hours per student per year, with a maximum of 60 hours for multiple students. We understand that these mandatory volunteer hours must be met before grades are issued and reenrollment is contingent upon fulfillment of all obligations. All parents and volunteers are subject to an annual background check. Please refer to the Parent/Student Handbook for additional details on completion of these volunteer hours.
- g. **Tuition/Financial Obligations.** We hereby acknowledge the current tuition rates and make our promise to pay tuition in accordance with the tuition payment plan we indicate when we sign up for our tuition payment account online. Furthermore, we promise to pay all other financial obligations and agree to pay them in full before grades are issued. We understand failure to remain in good standing may result in our child(ren) being removed from attending class until past due balances are settled. Finally, we acknowledge that reenrollment is contingent upon fulfillment of all obligations.
- h. **Fundraisers.** Trinity is funded solely by private funds and does not receive any public funding. In order for Trinity to maintain a level of excellence and keep tuition affordable, we recognize that Trinity must conduct fundraisers. Rather than conduct monthly fundraisers for "nickels and dimes" and in an effort to avoid inundating families with several fundraisers, Trinity has chosen to hold only three mandatory annual fundraisers which currently are as follows: (1) a Walk-a-thon; (2) a Benefit Event; and, (3) a Raise Right rebate program with retailers. We realize every student's education is the same cost and every family, therefore, is required to equally and fully participate in gaining these supplemental funds for Trinity. We hereby agree to abide by the fundraising requirements as set out by the board each year.

2. WITHDRAWAL/DISMISSAL. If we find that we cannot accept the disciplinary, participation or academic standards of Trinity or if our child fails to meet the minimum academic and/or behavioral requirements, we may withdraw our student or face possible dismissal in accordance with the Parent/Student Handbook. If we withdraw our child or a Trinity dismissal occurs, tuition and fees will not be refunded after the first six weeks of school. We understand that the only exception to this rule is for a family who must move out of the school area. In these events only, a prorated tuition refund will be made within 30 days of removal from Trinity. **We also understand that our child may be refused reenrollment for a new academic year if we do not fully comply with the terms of this Parent Agreement.**

3. UNITY. As Christians, we are called to be in unity with one another (see attached Statement of Belief). Unity at Trinity is the biblical vision of unity. As stated in Ephesians 4:15-16, "[As believers,] speaking truth in love, we will in all things grow up into him who is the head, that is, Christ. From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work." To bring glory to God and for the welfare of our child at Trinity, we believe and agree to the following:

- a. To uphold and maintain the fundamental unity of Trinity with the home by conducting ourselves in all situations with a Christ-like attitude
- b. To not create divisiveness at Trinity
- c. To work supportively with the TCS Board, faculty, and staff in maintaining Christian standards, policies, and procedures
- d. To support the unity of the school with the home by being actively involved in school affairs, fundraisers and functions, including the Parent-Teacher Ministry

4. CONFLICT RESOLUTION. In accordance with the Trinity Statement of Belief and the Parent/Student Handbook, which are based on solid biblical principles, we know we are to bring glory to God in all we do. We agree that if a disagreement or conflict arises with Trinity, we submit to the principles of the Bible as

detailed in Matthew 18. Generally, when any type of conflict arises, we agree to adhere to the following process:

- a. First, pray about it
- b. Second, arrange a time to meet face to face and privately discuss the problem with the individual(s) directly involved
- c. Third, during the meeting, discuss the matter in a respectful and calm manner with a goal of reconciliation
- d. Fourth, if reconciliation has not been achieved, arrange a meeting with the next chain-of-command level; teacher/staff, administration, school board

We agree at NO time during a conflict at Trinity shall we do the following:

- Gossip about the problem or slander a person
- Discuss details of the problem while arranging the meeting
- Harbor bitterness
- Make the matter public by speaking in front of others, including our child(ren) and other students

We understand enforcement of this section may require a meeting with administration, teachers and/or other parents. We agree to cooperate in determining whether we have violated this Conflict Resolution section. Consequences for not handling conflicts as stated above are at the discretion of administration and the board and may include probation, suspension or dismissal.
