

TCS Financial Committee Job Description

This committee works with the board, administration and teaching staff in the following areas:

- 1) Assistance with salary scale development
- 2) Budget
- 3) Capital improvements
- 4) Give guidance on tuition rates
- 5) Help with needs prioritization
- 6) Assist with audit
- 7) Analysis of special initiatives
- 8) Ensure long term financial viability
- 9) Guide the scholarship process

This is a subcommittee of the board and will bring recommendations and options for board consideration. It is important to promote proper stewardship of the Lord's provision. It is critical to evaluate recommendations and changes on how they will affect all aspects of the school. Further tasks may be added from time to time.
