PICK-UP ROUTE 2018-2019

Drop-off and Pickup Guidelines

Drop-off

For safety and security reasons, absolutely no crossing the drop-off line to enter the building 8:10-8:30 a.m.

Lane choice is based on the youngest child in vehicle. Grades K-3 please pull in under the canopy (follow dotted line on map).

Children exit the vehicle through the driver's-side passenger door.

Please use caution and pay close attention to the volunteers directing traffic.

Pickup

For safety and security reasons, absolutely no crossing the pickup line to enter the building 3:15-3:30 p.m.

PLEASE PROVIDE AN 8X10 SIGN WITH YOUR LAST NAME CLEARLY PRINTED TO DISPLAY IN YOUR WINDSHIELD.

Lane choice is based on the youngest child being picked up. K-4 pick up at the main building. Grades 5-8 use the outer lane and pick children up at the MPR.

Example 1: 1st grade + 6th grade students = main building pickup

Example 2: 5th + 7th grade students = MPR pickup

Always allow preschool to finish their dismissal before entering the pickup line. They are typically done by 2:45 p.m. Please park your car and wait until they are finished.

Parents please stay in your vehicle after picking up your children until you pull out of the parking lot. **PLEASE DO NOT BLOCK TRAFFIC TO MAKE SEATING ADJUSTMENTS.**

- Please be patient and Christ-like to all the helpers as we work out this plan.
- Please remain off your phone while driving in the school parking lot
- Please follow all lane restrictions. **DO NOT CUT LANES** and thus avoid causing an accident

Let's all please pray for everyone's safety and cooperation.
